

The Gossard Corsets They Lace in Front

The first and last thought in front lace Corseting have been applied to the "Gossard," which is positively the ORIGINAL FRONT-LACE CORSET the first in the minds of fashionable women because they meet the requirement for comfort, convenience in adjusting and giving proper poise to the body. They are truly healthful. No undue pressure is caused in controlling the superfluous flesh — they are modeled on graceful lines to fit women of all sizes. The slender, the medium, the stout all enjoy them alike. **MANY HAVE IMITATED THE GOSSARD CORSET WITHOUT EFFECT.** It was once the only front lace corset; it is now the peer of all front lace corsets. The best talent known has been constantly employed to maintain the original standard of quality, comfort and style. Always up to the requirements of the ever-changing trend of fashion.

PROTEST IS GAME'S END

BANKERS WIN ALTHOUGH SCORE IS PROTESTED.

Home Run by Squires Leads Lone Tally for Money Handlers.

The Clerks won a protested game from the Bankers last night two to one, and unless reversed the Clerks stand to win the Commercial club cup in the race which ends this week. The Bankers scored their lone tally on a long home run by Squires but there was only two fielders for either side and the game was a makeshift proposition from start to finish. Geddes and Stout were the opposing pitchers and both had the variety of stuff that puzzle batters. The Clerks scored in the first of the second after Fructus hit for two bases and Geddes allowed Garrick to go on a bruised rib, Duignan and Bolton had walked. The play that drew forth the protest came in that inning when with the bases full Reynolds hit to deep shortstop after he had three and two on him. Squires missed the hit and the ball caromed off Duignan's ankle but not until Garrick had crossed the plate—as the umpire viewed the play.

Two had previously been retired and the score was allowed to stand on the grounds that the score had been made prior to the time the ball was deadened by the contact with the base runner and the retirement of the hit base runner. The first of the third inning was without a score and the last half was not played. A decision will be reached by the president and board of directors upon the advice of a Portland baseball authority. In the event that the score is reversed it will necessitate the game being played over again as the Bankers could not win even with the questioned score eliminated. The score:

R. H. E.

Bankers 1 2 0
Clerks 2 2 1
Batteries: For Bankers, Geddes and Duncomb; for Clerks, Stout and A. Berry.

La Grande must grow--it's location and resources give assurance that within a short time it will be the Spokane of Oregon. At its present rate of increase and growth it will soon double its population and its payroll. When it reaches that stage in its career Connordale will be practically the center of town for this city must grow down Washington Avenue and cut into the valley. Values will then be out of sight. They are low now. Go down and see for yourself.
