

Big Farm To Be Subdivided--

I have a large 960 acre grain farm in the center of the valley that I have the authority to sell in 80 acre tracts. The price is \$60 per acre and the terms are attractive. A splendid crop is now being harvested. You may desire more than 80 acres after examining the land and noting the value. Call for more particulars.

WRITER PICKS ALL-STAR CAST

ONE PIPPIN, UTILITY, ON THE TEAM.

Writer Overlooked Banner Shortstop and Also Some Catcher.

***** ONE ALL-STAR TEAM. *****

Catchers—Pembroke, Brown.
Pitchers—Mays, Pope, Bridger and Berger.
First base—Lodell.
Second base—Davis.
Shortstop—Reams.
Third base—Altermatt.
Left field—Carrigan.
Right field—Scott.
Center field—Harmon.
Utility—King.

A Boise sporting scribe condescends to give La Grande one utility player

on the all-star Tri-State league team. His pitching staff is probably as near right as it could be made, his outfield not bad, third and second and first not far from right, but his shortstop is way off. Naughton is the best bunter in the league and has played some great ball—the steady sort that wins in the end, and no all-star choice can get along without him. McBride is head and shoulders over Brown—King is a better catcher than Brown. Outside of these "minor corrections" Brother Greene probably got off on the right foot.

CHAMPS DISBANDING.

Walla Walla Players Drifting Away After League Season Is Over.

Walla Walla, Wash., Sept. 6.—(Special)—F. L. Kelly, who pitched the concluding game of ball for the Bears left yesterday for his home in Spokane. Cecil Thompson, first baseman, left for Dayton to take up the practice of veterinary surgeon. Henry Martini, left fielder, has gone to San Francisco to play in the mid-winter league. He took with him "Tiny" Leonard's bear, which

he will take to Leonard's farm near the Bay city.

E. E. Leonard, pitcher, and August Bade of the league directors, expect to leave today on a hunting trip.

Robert Davis, shortstop, will leave soon for New York near where his mother lives. Davis was planning some on staying, but his mother is ill.

Charles (Cotton) Harmon, center fielder, has gone to farming.

Rolla Brown, catcher and captain, expects to engage in business here.

Ed. Johnson, outfielder and change catcher, may stay here. His home is in Vancouver.

"Buddy" Jones has gone to Spokane to work on the Chronicle.

Paul Bridger expects to return to Iowa if he does not land something here.

Gunner Mauser will go to Spokane. It was reported several days ago that Mauser, Leonard and Bridger were to report this year to the Spokane Indians, but Owner Cohn stated at Spokane yesterday that they were ordered to report next year. Davis and Johnson were given similar instructions.

Your Child's Health Your First Thought

If you have children, naturally your first thoughts are for their health. You certainly want them to develop strong, healthy constitutions. The most careful attention must be given when children show the first symptoms of the many common ailments. Perhaps they are weakly and thin, or grow too fast, thus sacrificing strength. These and other apparently minor ailments may be the forerunner to a weak constitution for life.

Such children need Jayne's Tonic Vermifuge which is essentially a children's tonic. First of all, it will properly care for the child's stomach. It will also improve the appetite, and will add strength to the other organs of the body. In cases of thin or impure blood, it increases the number of red corpuscles, enabling the enriched blood to keep the body healthy and strong. Among the most common ailments that children develop is that of a disordered stomach, leading to an impaired digestion. In many cases, this trouble is due to parasites in the intestinal tract. To correct such trouble, Jayne's Tonic Vermifuge is unsurpassed. For more than eighty years millions of children have been restored to health through the use of this tonic. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

The Men Who Succeed

as heads of large enterprises are men of great energy. Success, today, demands health. To all is to fail. It is utterly folly for a man to endure a weak run-down half alive condition when Electric Bitters will put him on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50 cents at all druggists.

I will be in La Grande until the first week in September. Come early. Do not delay having your work done until the last week.
