DUMMY IS BOUGHT

Tackling Machine to Be Installed for Practice Benefits at Once.

For the first time in the history of football in La Grande a tackling dummy is to be installed. Last night the recruits and veterans who are to try for the squad this year got out to dig out the post holes and make general preparation for the arrival of the dummy proper. It is to be of the best make and material insuring some excellent tackling practice for the squad. This will be a real innovation in school athletics in this section. Active practice will not commence until next Monday but those who are in school now will indulge in punting and light drill.

Easy to Get Relief From Indigestion

Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headaches and constipation.

Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy, natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body.

For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
