Peninsular Steel Ranges

Most beautiful and pleasing range ever put into the
home. Warranted for 25 YEARS. Easily set up to
city water. Great fuel saver. Bakes as evenly as a
BAKER'S BRICK OVEN. COOKS your boiled din-
ner in the oven while you are baking bread and with
its special oven construction carries all odors of cook-
ing into the flue, thereby eliminating all odors of
cooking circulating through the house. Here is what
a satisfied customer tells me about her **PENINSU-
LAR STEEL RANGE.**

"The first day I began using my Peninsular Steel
Range was indeed a revelation to me. The possibili-
ties of even baking are unlimited. On baking day my
bread is baked to a delicious, delicate brown on both
top and bottom, while at the same time I can boil my
dinner in the oven in an open kettle and all the odors
will pass away through the flue and does not circulate
in the house. While at the same time I heat all
the water required for washing dishes "piping hot
in the large **PORCELAIN-LINED** reservoir tank.
I am particularly pleased with this range as it uses
so little fuel and retains its heating qualities so long
and evenly.

"And then the **FINISH?** Both in the polished top
and the mirror-like **STEEL BODY** never require
blackening and is so easily polished with Sapolio, and
shines so that you can see yourself in it. I have fram-
ed my guarantee bond that came with the **RANGE**
and hung it in the kitchen and I have written the
PENINSULAR STOVE CO. that I had bought a
PENINSULAR RANGE of you and was delighted
with the letter just received from them."
