A WOMAN OF MYSTERY

ARCADE PRESENTING WOMAN OF RARE ABILITY.

First Performance Given Last Night—Has Marvelous Gift.

Positively the greatest novelty ever witnessed in a vaudeville theatre, was the performance of Les Frimini, the European wonder workers. This team of clever people played to packed houses at each performance. Their work is styled telepathic phenomena, if that means transmission of thought. It was demonstrated to the satisfaction of all present at the Arcade theatre last night.

It is the strangest thing ever witnessed was the general comment. All seemed well pleased, those whose questions she answered and those who listened to others being answered, but in spite of all, everyone is mystified. Madam Frimini invites any kind of test, she claims to answer any question, it make no difference on what subject. That she has done so was proved at last night's performance. No one should miss this.

Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In ninety nine out of one hundred cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness,—which often leads to epileptic attacks;—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria! Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite. Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it.

Millions of parents have praised this medicine for more than eighty years. Insist upon Jayne's Tonic Vermifuge, and accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
