Increases Property Values Makes Houses Easier to Rent

It's time to think about having your house wired for

Electric Lights

Increased property values depend on improvements. There is nothing that will add so much to the value, for so little cost, as electric lights.

Electric lighted houses rent easier, and for more money. Ask any house-owner.

The cost of electric wiring is not great, and any competent electrician can wire your house, without marring or defacing the walls or ceiling.

There is no better time to have it attended to than **RIGHT NOW**
