FROM FAR-AWAY TEXAS.

Houston, Tex.
The C. M. C. Stewart Sulphur Co.,
Seattle.

Dear Sirs: Through the generosity of your Mr. Stewart I was enabled to begin taking Sulphurro last October. It kept my stomach and digestion in excellent condition, improved my circulation, and prevented me from taking cold through a severe winter.

I therefore feel very grateful for the benefits derived from the use of Sulphurro, and have recommended it to a number of other sufferers. As there have been a number of cases of spinal meningitis in this city, my family have been taking Sulphurro as a preventative of that dread disease. Two of my family have been benefited in ways not expected. My niece was suffering from an incipient case of catarrh, which caused irritation of the throat and constant sneezing. This has been entirely relieved.

J. C. Harrall has been relieved of chronic sore throat and indigestion by the use of Sulphurro. Your remedy, therefore, has my unqualified endorsement as a great preserver of health, and I hope its use will be as extensive as you could wish.

J. M. COTTON.
1416 Rosalie Ave.

The experience of Mr. Cotton in finding that Sulphurro cures where benedictine to stanch septic to spasm to purify fit has not been dreamed of, has been purro. By cleansing, purifying and invigorating the system, Sulphurro restores health to all its parts. Mrs. F. J. Mueller of Bothell, near Seattle, was taking Sulphurro for rheumatism, when her blindness, covering the greater part of 37 years, was cured.

A TREACHEROUS TROUBLE

La Grande People Are Shown the Way Out.

Kidney diseases are very dangerous. They come on silently, gain ground rapidly, and cause thousands of deaths that could have been prevented by proper treatment in the beginning. Nature gives early warnings of kidney disease—backache, twinges of pain when stooping or lifting, headaches and urinary disorders. If these symptoms are unheeded, there is grave danger of dropsy or fatal Bright's disease. Doan's Kidney Pills have earned a reputation for their effectiveness in kidney troubles, and are known and recommended the world over. La Grande readers should find convincing proof in the following statement. It's from a citizen of this locality.

John Torengo, Cracker St., Sumpter, Ore., says: "Last spring my kidneys were disordered and I began to suffer from backache. I noticed that the kidney secretions were highly colored and painful in passage and I thus knew that my kidneys were at fault. The use of one box of Doan's Kidney Pills toned up my kidneys and caused the backache to cease. I am

Selder's - La Grande

La Grande must grow--it's location and resources give assurance that within a short time it will be the Spokane of Oregon. At its present rate of increase and growth it will soon double its population and its payroll. When it reaches that stage in its career Connordale will be practically the center of town for this city must grow down Washington Avenue and cut into the valley. Values will then be out of sight. They are low now. Go down and see for yourself.
