Mother of Eighteen Children.

"I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds. I can eat anything I want to and as much as I want, and feel better than I have at any time in ten years. I refer to anyone in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers.

Increases Property Values Makes Houses Easier to Rent

It's time to think about having your house wired for

Electric Lights

Increased property values depend on improvements. There is nothing that will add so much to the value, for so little cost, as electric lights.

Electric Lighted houses rent easier, and for more money. Ask any house-owner.

The cost of electric wiring is not great, and any competent electrician can wire your house, without marring or defacing the walls or ceiling.

There is no better time to have it attended to than RIGHT NOW

Eastern Oregon Light & Power Co.

"always at your service"

Robert W. Herter, Lawrenceville, Mo., who had been bothered with kidney trouble for two years, says: "I tried three different kinds of kidney pills but with no relief. My neighbor told me to use Foley Kidney Pills. I took three bottles of them, and got a permanent cure. I recommend them to everybody." **Fay**
