Announcements have been received here by friends of Jay M. Reynolds, son of J. E. Reynolds of this city, carrying the information of the wedding of Mr. Reynolds to Minerva Kiger of Corvallis. The wedding occurred Sept. 18th at the home of the bride's mother, and among the guests were the groom's parents, Mrs. Ralph M. Reynolds, Charles and Lee Reynolds. The groom became acquainted with his bride while a student at the Oregon Agricultural college from which he has been graduated. They will be at home in Corvallis after November 1.

A farewell reception will be tendered Rev. E. P. Borden and family by the members of the Baptist church this evening in the church parlors at 8 p. m. All members of the church and

congregation and friends are invited.

Beulah Rhodes and Henry Parsons, two of Elgin's most estimable young people, celebrated Roosevelt day at the county fair by joining their fortunes in wedlock. The ceremony was performed at La Grande by Rev. Black of the Mormon church. Both are children of old residents of the Elgin neighborhood, and they have a host of friends here who will congratulate them upon their happiness and join the Recorder in hoping that it may never be less.—Elgin Recorder.

One of the principal social events of the week just ending was that given by the Mlem. club Wednesday night when the young ladies entertained at the Elks' hall at dancing. The crowd was medium sized and everyone enjoyed himself immensely.

CAKE CONTEST TO BE STAGED

WINNERS ARE TO GET VALUABLE PRIZES.

Cottolene Contests to Be Held Under Chautauqua Ass'n Auspices.

A baking contest with cottolene as the basis, with an entertainment, will be held under the auspices of the Grande Ronde Chautauqua association at Honan hall Thursday evening at 8 p. m. The merchants of La Grande are donating various valuable prizes to be given to the ladies who will be the successful winners in the baking contest. "You may bake cakes, pies, doughnuts, bread or fudge candy and bring your entries down to Honan hall not later than 6:30 on Thursday evening, October 3rd," said the managers today in announcing their plan. "Every housekeeper in La Grande should make a cake and try to win a prize and at the same time help the Chautauqua association rise funds for their deficiencies.

"The cakes and pies will be cut and judged by three disinterested parties who will have no interest in the contest or who will have no entries in the contest. After the prizes are awarded the cakes will be auctioned off and the proceeds given to the Chautauqua association. Circulars will be printed showing the number of prizes and distributed to every house in town and housekeepers should read the circulars carefully and note the conditions governing the baking contest. The musical program will be announced later."

which they are the originators, has been the season's most pronounced hit. It is exquisitely executed by them and is a real unusual out of the ordinary novelty that makes everyone feel like dancing, too.

A little later on these young ladies contemplate opening a select dancing school in La Grande, teaching every style of both society and stage dancing. They have been very successful as well in producing and directing home talent entertainments and have in view the production of several pretentious affairs of this nature in the near future.

NEW ROAD LOOMS.

Manager England Is Back From Trip to the East.

President England, of the Central Railroad of Oregon, was a visitor to Elgin during the past week, says the Elgin Recorder. He had just returned from a business trip to the East, where he went in the interest of the construction of the proposed railroad from Walla Walla to Baker by way of Elgin. He reports that the road is a sure go and wants Mayor Sommer to accompany him on his next trip.

NEW POWER LINE COMPLETE.

Line From Enterprise to Wallowa Has Been Strung; Used Soon. (Enterprise Record-Chieftain.) The Enterprise Electric company finished the construction of its power line between Enterprise and Wallowa Wednesday. The poles are all up, and the copper wire strung. It will probably be 30 days however, before the power can be turned on, as the transformers for the line have not yet arrived. They will have to be shipped from Schenectady, New York, and although they have been ordered for some time it takes considerable time for freight to travel across the continent. Manager J. M. Simpson left yesterday for Spokane on business connected with the company. He expects to be gone about two weeks.

Antietam Commemorated.

New York, Sept. 21.—The 50th anniversary of the battle of Antietam was celebrated in Prospect park, Brooklyn, under the auspices of the War Veterans and Sons' association. Preceding the literary exercises there was a large parade in which surviving veterans of the 53 New York regiments that fought at Antietam took the leading part.

COLLEGE GENT A BAKER HERO

BIG RACE OF THE DAY WON BY POPULAR HORSE.

Summary of Races Held at Baker Yesterday Shows Good Time.

Baker, Oregon, Sept. 21.—(Special)—The features of the racing program at the fair Friday was the 2:19 pace, which was the most interesting, to the spectators at least, in that it again brought out College Gent, the crack four year old black stallion owned by F. S. Heard of Haines, and true to the confidence reposed in him by the greater part of the crowd, the speedy black more than made good when he took the race in straight heats under the skillful guidance of Driver Hogoboom. While the result of the race was entirely satisfactory, the showing of Tamarack the Red was disappointing to those who saw the horse here last year. After finishing second in the first heat, he was picked by many as a possible winner of the second, but he broke in the first turn and in the second and third heats was barely able to

Peninsular Steel Ranges

Most beautiful and pleasing range ever put into the home. Warranted for 25 YEARS. Easily set up to city water. Great fuel saver. Bakes as evenly as a BAKER'S BRICK OVEN. COOKS your boiled dinner in the oven while you are baking bread and with its special oven construction carries all odors of cooking into the flue, thereby eliminating all odors of cooking circulating through the house. Here is what a satisfied customer tells me about her PENINSULAR STEEL RANGE.

"The first day I began using my Peninsular Steel Range was indeed a revelation to me. The possibilities of even baking are unlimited. On baking day my bread is baked to a delicious, delicate brown on both top and bottom, while at the same time I can boil my dinner in the oven in an open kettle and all the odors will pass away through the flue and does not circulate in the house. While at the same time I heat all the water required for washing dishes "piping hot in the large PORCELAIN-LINED reservoir tank. I am particularly pleased with this range as it uses so little fuel and retains its heating qualities so long and evenly.

"And then the FINISH? Both in the polished top and the mirror-like STEEL BODY never require blacking and is so easily polished with Sapolio, and shines so that you can see yourself in it. I have framed my guarantee bond that came with the RANGE and hung it in the kitchen and I have written the PENINSULAR STOVE CO. that I had bought a PENINSULAR RANGE of you and was delighted with the letter just received from them."
