

A Chance To Get a Home At a Sacrifice Price

I am offering the E. J. Walsh seven room modern house situated on O St. with a large lot, 73 feet by 110 feet, nice lawn, trees; the house has just been painted, within one block of hard surface pavement, there will be no street improvement added to this property for many years if ever, large rooms, house plastered; in fact this is a desirable home. The price is \$2400.00 and it is a bargain. Mr. Walsh has moved to Portland, the house is too good to rent and Mr. Walsh has made a price that will certainly appeal to anyone desiring a home at a great deal less than it could be duplicated in that desirable locality.

REMINGTON-UMC

AUTOLOADING SHOTGUN

For singles—trip or field—just toss in a shell, press the button and—"PULL." The side bolt makes it easy. You don't have to tug at the barrel or watch an on-and-off device. The action stays open after each single shot is fired.—It always stays open when the magazine is empty. Five shots—three to get the cripples—each under absolute control of the trigger finger. The recoil reloads for you—kicks another shell in; takes the strain off the gun—the discomfort out of the kick—all without diminishing the drive behind the shot.

Simple take-down—a few turns of the readily handled magazine screw-cap makes cleaning, carrying and interchange of barrels quick and easy.

Send for a motion picture booklet telling how the kick is used—how a friction device found only on the Remington-UMC Auto Loading Shotgun takes the punishment out of heavy loads.
