# Peninsular Steel Ranges

Most beautiful and pleasing range ever put into the home. Warranted for 25 YEARS. Easily set up to city water. Great fuel saver. Bakes as evenly as a BAKER'S BRICK OVEN. COOKS your boiled dinner in the oven while you are baking bread and with its special oven construction carries all odors of cooking into the flue, thereby eliminating all odors of cooking circulating through the house. Here is what a satisfied customer tells me about her PENINSULAR STEEL RANGE.

"The first day I began using my Peninsular Steel Range was indeed a revelation to me. The possibilities of even baking are unlimited. On baking day my bread is baked to a delicious, delicate brown on both top and bottom, while at the same time I can boil my dinner in the oven in an open kettle and all the odors will pass away through the flue and does not circulate in the house. While at the same time I heat all the water required for washing dishes "piping hot in the large PORCELAIN-LINED reservoir tank. I am particularly pleased with this range as it uses so little fuel and retains its heating qualities so long and evenly.

"And then the FINISH? Both in the polished top and the mirror-like STEEL BODY never require blacking and is so easily polished with Sapolio, and shines so that you can see yourself in it. I have framed my guarantee bond that came with the RANGE and hung it in the kitchen and I have written the PENINSULAR STOVE CO. that I had bought a PENINSULAR RANGE of you and was delighted with the letter just received from them."

Let me make your home comfortable And cooking a delight

Just received today my car of Steel Ranges and Heaters

## Easy to Get Relief From Indigestion

Your stomach should digest the food you eat, without the aid of any artificial digestives. If it won't do that, then you are continually subject to dyspepsia, indigestion, heartburn, headaches and constipation.

Instead of taking digestive medicines, take steps to get your stomach and intestines again in a healthy, natural condition. Jayne's Tonic Vermifuge will do this for you if you will take it regularly. It is not a digester of foods, but it will restore your stomach and intestines so that they will attend to their natural functions, digesting what you eat and giving strength to the body.

For more than eighty years thousands of men and women who had suffered the pains caused by dyspepsia and indigestion have been praising this Tonic as the only remedy which brought them permanent relief. As the Tonic acts directly upon the stomach and intestines, it is a natural appetizer and strength builder.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
