Clothes That Fit and Wear

And when we say "Fit" we don't mean those "Picture clothes" that you see in the magazines. Anybody can get an artist to dip his brush in paint and "throw a fit" on paper. We mean a real fit--which means clothes really made for you, not ready-made for thousands of men and women about your size. We make clothes---not with paints, but with pains, with intelligence, good taste and style; and stitch them with honesty and good service. And so our clothes, made from the best materials, not only fit you perfectly, but wear long. Call and look over our stock and let us quote you prices. We can satisfy you.

Another Farm to be Subdivided by the Geo. H. Currey Real Estate Agency.

I have the 520-acre farm of E. W. Oliver for sale as a whole or can sell a separate 80-acre tract, two 120-acre tracts and 200 acres, which include the improvements. The price is \$100 per acre, one-third cash, the balance on five and ten years. This farm is all high grade sandridge land, in the midst of the choice fruit section of the valley, commercial orchards on all sides of it.

The improvements consist of a large barn that cost \$1800, which cannot be duplicated today for the money; seven-room house; deep well, 465 feet inexhaustible supply, 5000 gallon tank. One half mile from Valeria school house, R. F. D., one mile to Conley station where two large warehouses are located; seven miles from La Grande; splendid roads at all times of the year. Mr. Oliver is now residing in Portland and has placed a price on this farm that will interest all who know values.

I have sold two 80-acre tracts on the 960-acre farm which I am subdividing. The price on this tract is \$60 per acre. You can pick out what you want. The land speaks for itself. The crop this year shows investment. The 160 acres, with improvements, 40 acres in alfalfa, can be bought for \$65 per acre. Most liberal terms.

The Silas Koger 240-acre farm in Cove, one of the choice homes in the county is on my list.

80 acres north of the Iowa school house, a beautiful tract well improved; price \$8000.

80 acres east of Island City, rich bottom river land that is well worth the price asked. \$75 per acre.

80 acres near Summerville for \$3700. In fact the owner is not living on it, does not expect to, and this price can be shaded a

little.

40 acres near Summerville, well improved, for \$2650.

30-acre farm, near city, for \$4500.

20-acre farm, near city, for \$4500.

24-acre farm, near city, \$6000.

80-acre farm on Ladd Creek, \$6000.

160-acre farm, just south of city, \$8000.

I have sold seven farms during the last 90 days and the above is only a partial suggestion of my listings. Come in and let us give you detail descriptions, photographs; in many instances some exceptionally easy terms.
