Y. M. C. A. GYM GAMES WITH 2 CLASS FORMING RIVALS NEARING

NEXT WEEK TO SEE AN ACTUAL
START MADE.

Division of membership. Made to Meet
Best Facilities.

The board of Directors of the local Y. M. C. A. has leased the skating rink for three afternoons and three evenings of each week for gymnasium purposes. The room is about 100x50 with a splendid floor. Dressing rooms are provided and a shower will be installed very soon.

Three classes are to be conducted under the supervision of the General secretary. The class for boys 9-10 and 11 will meet at 4 o'clock on Monday and Wednesday. The class for boys 12, 13, 14, 15 will meet at 5 o'clock on the same afternoons. These boys, "Juniors", will come in at the rate of \$2 for six months. On account of the limited use of the floor all boys or men sixteen years of age and over will be included in the Senior division at a fee of \$3 for six months and will meet on Monday, Wednesday and Friday evenings in one class. Later in the fall Friday evening will be taken up by basketball.

The first part of the week will be devoted to setting up exercises. The majority of the boys are in need of the general floor work and will be given such work as will prepare them for apparatus work a little later.

The first two days of next week will be "joining days". The fees are so small that all should be able to enjoy the winter's work in the "Gym." For any further particulars call at the Y. M. C. A. office, number 10 Depot street.

BASKETBALL LEAGUE NEXT

Immediate Formation of League and
Representative Five Urged.

It is very probable that a basketball league for amateurs will be formed this winter. At least it should be. With a president and directors the Y. M. C. A. hall could be used to good advantage, and there is no reason why such a league should not be formed now and be in working order by the holidays, which is the right time to open a season. Practice that would be exhilarating and entertaining could be indulged in at once, and the candidates be in position to put forth some excellent material by the holidays. To work out a representative Y. M. C. A. team out of the entire squad should be another motive of all fans and players.

FATHER MURPHY LIKES BOSTON.

Among the many La Grande people who wait anxiously for the news from the world series each evening, none perhaps show greater interest than Father Murphy, the Catholic priest at Elgin and Wallowa. Father Murphy quit the baseball business for the priesthood and he was a member of the Boston twirling staff before he devoted his life to the church, but he still has a liking for Boston and each victory that Boston enacts goes straight to the heart.

Taxi Coming in a Month.

While in Portland this week, L. C. Smith purchased for Ed Bussey of this city, an up to date taxicab which will reach La Grande in about a month. The machine will be put into immediate use in the paved street section and Mr. Bussey will retain his team and bus for the outlying districts.

PENDLETON NOV. 1, AND WITH
BAKER NOV. 8.

Such Is Tentative Lineup for the Active
Playing Season Now.

In all probability, La Grande will play Pendleton high here November 1, and Baker at Baker November 8th. These two big games have not been finally settled but Manager Ralston has closed, tentatively, at least, such an arrangement. In the meantime, strenuous effort to get a game in La Grande next Saturday is going forth and the squad needs the drilling badly. Just what success the management will have remains to be seen but that some sort of a game will be played here Saturday is now almost a certainty. The schedule is well bunched but games that will initiate the new men prior to the coming of the mighty Pendleton and no less mighty Baker are a necessity.

Watson is out this week for practice, adding to the strength of the line.

Elgin will probably not have a football team this year.

Though badly beaten by Baker a week ago, Union is not discouraged and will probably cut considerable figure in the county football games this year.

BASEBALL NOTES.

The Red Sox won every series in the American league this year except one, and tied the Clevelanders in that one.

In Hess, Tyler and McTigue the Boston Braves have three good left-handed pitchers to start with next season.

"Jake" Daubert is without a doubt the most popular ball player that Brooklyn has had in its lineup in many a day.

Washington fans are well pleased with the work of the Nationals this season, and expect Griffith's boys to cop the bunting next year.

Many changes were made in the lineup of the Highlanders during the past season. The team closed the season with six new men holding down regular berths.

Each member of Joe Kelley's International League champions was presented with a gold medal and a purse of money at the close of the season, by Toronto fans.

The Chicago White Sox have signed Roy C. Wolfe, star batter of the Illinois-Missouri league. He is the only player in class D. circles drafted by a major league club.

Manager Hugh Jennings, of the Detroit Tigers, believes that Pitcher "Dutch" Klawitter is now ripe for the big show. Klawitter, who had a trial with the Giants in 1910, is the star pitcher of the Portland, Ore., team this season.

Currey Heads Tennis Clubs.

Geo. H. Currey, Jr., has been selected manager of the Willamette University Tennis association. Over 150 students have enrolled, work upon new courts is under way and contests between the Pacific university, Oregon Agricultural college and the State university are being arranged for.
