

For Correct Styles For Garments of Worth For Quality of Goods

The ladies of La Grande and community have tried us and learned that we study the Ladies' Ready to Wear lines; that we cautiously buy nothing but the very best; that we will not let a garment leave this store unless it is correct in every way; that, along with these qualifications, we make the lowest possible living prices on everything we sell. A great saving to the ladies has been experienced since our store was installed in La Grande.

SUMMERVILLE NEWS BRIEFS

APPLE PICKING IN FULL SWING THIS WEEK.

Threshing Is About Finished and the Crops Are Good.

Summerville, Oct. 27.—(Special)—Apple gathering is the order of the day in the Summerville districts. Mr. and Mrs. Stinson of Twin Falls, with their little son, John, are the guests of Mr. Stinson's cousin, J. A. McKinzie, this week.

The first quarterly conference of the M. E. church was held here last Sunday and Monday. Rev. W. A. Winters, superintendent of the La Grande district, preached to a large congregation on Sunday night, and held the business session Monday afternoon.

We have no school this week as our teachers are attending the institute at Joseph. This gives our schoolboys a fine chance to earn a few dollars picking up potatoes. Several are assisting Mr. Robinson of Imbler with his large crop.

Mrs. Earl Park, living on the Pumpkin Ridge road, had the misfortune to seriously cut her left fore finger while splitting kindling a week ago. She was obliged to go to La Grande to have the wound dressed.

Threshing is practically finished in this end of the valley. A good yield is reported except from the late grain which was damaged by the early frost.

W. I. Hunter made a trip to the Wallowa country last week. He is building a comfortable residence, just south of the hall.

A. Kleese & Son have greatly enlarged their mill pond, and made other improvements around their saw mill recently.

Miss Roebbling's Wedding.

Trenton, N. J., Oct. 16.—Miss Helen Roebbling, daughter of Chas. A. Roebbling, of the well known firm of bridge builders of this city, was married today to Carroll Sergeant Tyson, the artist, of Philadelphia. The wedding was a very quiet one, owing to the death of the bride's brother, Washington A. Roebbling, 2d, who was a victim of the Titanic disaster.

EAT, SLEEP AND WORK
These three are man's life. The greatest of these Work, brought about the manufacture of overalls, and the demand for better overalls, brought about the manufacture of "DAYS BIG FIVE," the overall without a rival. TRY THEM.

They can't get too close for the Remington Club.

REMINGTON-UMC
Scatter Load SHOT SHELLS

When they're apt to get up close, slip in a Remington-UMC Scatterload—and make your choke bore gun good in brush or thicket.

Arrow and Nitro Club steel lined scatterload shot shells open up your pattern so evenly that your bird can neither get too much nor too little.

A special system of wadding gives at 25 yds. a spread equal to that of a standard shell at 40 yds. and with greater penetration.

The steel lining gives the speed plus perfect pattern. Get a box to-day. Your local dealer has them. Try them on a paper target with your old duck gun.
