A scene from "Bought and Paid for," which goes here Friday night. E. J. Kelley was in La Grande this morning arranging for the presentation of the big show here this week, and that La Grande will patronize the big dramatic production is a certainty. There is a big run of shows now but they end soon for a month's vacation.

When Sulphurro is used as directed the result is always beneficial, never the reverse; therefore do not invest your money in this remedy unless you fully intend to read the directions in the Sulphurro booklet and follow them carefully. Saved by His Wife.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F. "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it is the most safe and reliable

England Remembers Trafalgar.

London, Oct. 21.—Today was the 107th anniversary of the battle of Trafalgar and the death of Lord Nelson, and the occasion was observed in London and many parts of the country. The Nelson Column in Trafalgar Square was, as usual, decorated and large crowds gathered there to see the large number of floral tributes which had been placed there on behalf of many branches of the Navy League in all parts of the world and of relatives and friends of officers and others who served under Nelson in the famous battle. Wreaths were also placed on the Nelson monument in St. Paul's Cathedral.

The directors of the Three-I League have boosted the salary limit to \$2,500, a \$600 increase over last season.

Dick Cooley, formerly of the Phillies and present owner of the Salt Lake City team, has opened a cafe in Salt Lake City.

Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

Choice Farms and Ranches

SMALL FARMS
Several small farms, 80 acres, 50 acres, 40 acres, near La Grande, well improved. Priced right and on most of them liberal terms can be obtained.

FRUIT FARMS.
I have several choice ten acres or larger fruit farms in this vicinity. The trees are loaded with fruit. You can go out and count the boxes of commercial apples that each place will produce. In some instances this season's crop will pay for nearly one-half of the purchase price.

SUBURBAN HOMES.
I have a number of pretty near-in homes that are priced right. In fact, are real investments. La Grande is growing. These small tracts are increasing in value much faster than you possibly realize.

Stock Ranches

With the cheap range rapidly becoming a thing of the past never will we see cheap cattle again in the United States. Our population is increasing much faster than beef can be grown. I have several opportunities that just a few years hence will be looked upon as wonders. I have two of the best stock ranges in Union county. If you are a cattleman and live in the county you will know them well. Come and let me tell you where they are. Very little cash required, put the balance of your money in stock. The increase of a calf to a beef steer on such ranges as I offer you will make common legal interest look anything but tempting.

WITH FAITH IN AN EVER-GROWING LA GRANDE AND GRANDE RONDE VALLEY I SOLICIT YOUR BUSINESS.
