LISTEN TO THIS

The New York Herald, which apparently long ago made a vow never to print the name of Theodore Roosevelt in its columns, and which always refers to him as "The Third Termer" has been making elaborate preparations to print a poll it took of the different states. It announced often, in a loud voice, that this poll would appear on Sunday, October 6th. From day to day the Herald would announce that Taft was gaining; that there was a great movement to Taft; that the Progressive cause was waning; that the Democratic cause was gaining, etc., so that we looked for this poll on Sunday morning, October 6th, with fear and trembling; and, lo and behold! we find that it concedes almost the entire Western country to Roosevelt; that it absolutely concedes Illinois by an overwhelming vote; that it gives us such states as Connecticut; that it makes Roosevelt well up to Wilson in New York; that it would have given him the City of New York if it had not put in an overwhelming vote in favor of Taft, taken among the brokers of the New York Stock Exchange. Then it proceeds to total up the different States and brings Taft in a bad second or third in all but one State.

That is the way Taft is gaining.
It is to laugh!

LEAVES WRONG IMPRESSION.

Story in Oregonian Falls to Do Humphreys Justice.

To show how the separation of subjects into paragraphs sometimes conveys the wrong impression a story from La Grande in the Oregonian relative to Gov. West's man McLaren and his visit to La Grande along with other matters of interest to this city, recited the vice crusader's visit and immediately followed with the statement that C. M. Humphreys, city recorder, resigned his office.

It might be taken to mean that Mr. Humphreys resigned because of the McLaren visit, which is without fact, for it had been the recorder's intention for some time to leave the city's service.

The correspondent who sent in the story from this city doubtless never gave the article a thought as it would reflect on Humphreys, hence no one is to blame. It is merely a case of failing to separate different items of interest in separate paragraphs.

Missouri Baptists in Session.

Kansas City Mo., Oct. 21.—The Baptist State Association of Missouri met for its annual session in this city today and will continue in session until Friday. Edward W. Stephens of Columbia is presiding. A notable list of speakers appear on the programme, among them being Dr. E. R. Ray of the Southern Baptist Missionary Society, Dr. William Williamson of St. Louis, and Dr. J. P. Green of William Jewell college.

Fortunes in Faces.

There's often much truth in the saying "her face is her fortune," but it's never said where pimples, skin eruptions, blotches or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at all druggists.
