The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, building up the constitution and assisting and giving the patient strength by its nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

"UNCLE JOSH" SHOW TONIGHT

NEW ENGLAND DRAMA ALWAYS STIRRING.

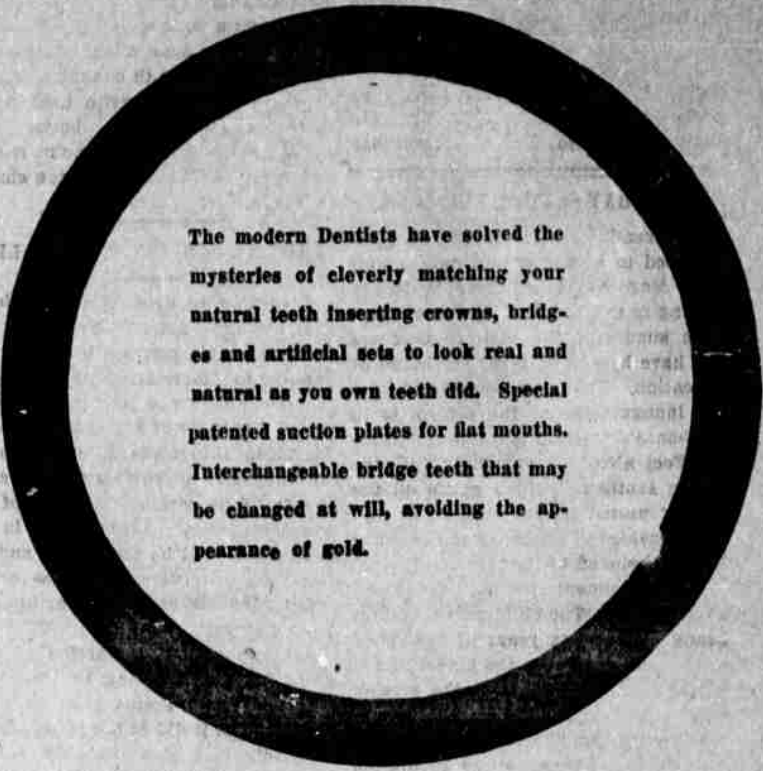

Loveable Character Always Uppermost in That Attraction.

No play of this decade has attained the popularity enjoyed by "Uncle Josh Perkins" for the simple reason that no other theatrical offering has been able to command the successful attention of theatre-goers year after year as does this annually welcome rural comedy. Each season some new feature has been introduced to enhance the value of its wholesome New England flavor and while specialties are easily introduced without disturbing the action of the play, the story of Uncle Josh and how he permeates the development of the play with firm but loveable character is sufficiently interesting to hold the attention of young and old.

This season "Uncle Josh Perkins", which comes to the Steward tonight will be played by a company of capable actors, the best ever assembled to interpret this popular play, and will have an entirely new scenic production.

large audience here Saturday evening. This is a subject in which the voters of Sumpter are taking a great deal of interest, and Mr. Mitchell showed that it will fall to prove the panacea for the ills the advocates of the measure would have the voters believe.

CROWNING, BRIDGING And PLATE MAKING

The modern Dentists have solved the mysteries of cleverly matching your natural teeth inserting crowns, bridges and artificial sets to look real and natural as you own teeth did. Special patented suction plates for flat mouths. Interchangeable bridge teeth that may be changed at will, avoiding the appearance of gold.

PENINSULAR

Steel Malleable Ranges

are the World's leaders in houses of our land
Over 100 of these fine ranges sold in this city during the past fifteen months is the strongest argument of its superiority it is possible to make. It is the ONLY RANGE MADE carrying a 25 year wearing guarantee. No Range makes cooking such a pleasure as does a Peninsular.

SOME REASONS WHY

FIRST—It requires no blacking, has a polished top, just keep it wiped off with a cloth.

SECOND—It will heat and bake as quick as gas. With a little kindling and a few chunks of coal you will have a red hot stove before you can get dressed in the morning.

THIRD—It is absolutely airtight, controlled by a duplex draft, causing it to consume all gas as it generates, thereby saving one-third the fuel.

YOUR OLD RANGE OR STOVE TAKEN IN PART PAYMENT.

You will notice that it has a large, square oven, and an extra wide but shallow fire box. The range rests on a cast iron base making it extra strong and durable. One of the greatest features is the height of the working space, it being 33 1-2 inches from the floor. This enables you to prepare your meals in a comfortable way, and obviates the necessity of bending over a low base range. Study the cut carefully and you will find more desirable and needed features than in any other range at a like price.
