Accuracy—Safety—Low Price

Many crack marksmen, now world famous, owe their training of eye and hand to one of these single shot, take-down rifles. We have made the price for the No. 4 and No. 6 rifles low enough to permit everyone to become acquainted with the Remington-UMC qualities of accuracy and safety.

Both rifles have case-hardened frames, walnut stock and forearm and rifle butt plates.

The No. 6 (.22 or .32 calibre) has Remington-UMC steel barrel, is accurately rifled and chambered for caps, shorts or long, and has new design open front, rear and tang peep sights. Price \$4.00.

The No. 4 (.22, .25-10 and .32 calibre) has an octagon barrel of Remington-UMC steel, automatic ejector and sporting rear sight. List price, \$5.00.

SENDING OUT WILSON SPEECH

EASTERN OREGON IS NOW BEING FLOODED WITH COPIES.

Democrats Using Franking Privilege to Aid their Candidate.

Eastern Oregon is being flooded with Wilson's speech of acceptance, sent through the mails at the expense of Uncle Sam under the postal frank of the Hon. James T. Lloyd. Mr. Lloyd obtained permission of the lower house to "extend his remarks for printing in the Congressional Record" and then made a "speech" in which he said he desired to call the attention of his fellow solons to the remarks Woodrow Wilson made in accepting the Democratic nomination.

This "speech" is composed of little else than Wilson's address; and is now being sent to voters everywhere at government expense. As Mr. Lloyd is a representative of West Virginia, Eastern Oregon people do not take kindly to the abuse of mail privileges on Mr. Wilson's behalf.

Don't Blame Your Over Worked Stomach

When your stomach will not digest food, the worst thing you can do is to take a lot of digestive medicines. True, they give temporary relief, but your stomach is the sufferer. Loss of appetite, indigestion, dyspepsia and headaches can only be permanently relieved by removing the cause. In many cases, various remedies taken to relieve these conditions result in ruining the stomach and preventing it from digesting food in a natural way.

If you want your stomach to do its own work properly, without resorting to artificial digestives or predigested foods, use Jayne's Tonic Vermifuge. Take small doses regularly, preferably before meals. In a little time your stomach will again do its own work and you will eat heartily, keep well and enjoy living. Jayne's Tonic Vermifuge is not a digester in itself, but it tones up the stomach and intestines, giving you all the nutrition and strength from the food you eat.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist on Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

Halcyon it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at all druggists.

The pre-eminence of the Gossard front corset is today a demonstrated fact.

The Gossard ranks as the fashionable corset of the world. It is the original and perfect front lacing corset and affords the truest union of style and healthfulness, something which has heretofore never been accomplished. It is the only corset that adds to the general beauty of line—closed habit back that is unrivaled in distinctiveness.

A complete line always on hand, also a line of lace front Brassieres and pads.

What the Progressive Party Means TO THE

FARMER

Victory for the progressive movement means that the tiller of the soil will no longer be "only a farmer," in the minds of those who sit in high places. It means that the people (33,000,000 strong) who comprise the forces of the leading industry of the nation will no longer have to fear that their prosperity will be curtailed to further the political ambitions and financial schemes of the few who all too long have been all too highly privileged. It means that the necessary attention will be paid to those things upon which legitimately profitable returns on \$200-acre farming land depend: The extension of the study of scientific agriculture in the land grant colleges and the departments thereof; the investigation and possible adoption of new farm credit systems; the building and maintenance of good roads through State and National aid, the growth of the postal savings bank and the parcels post systems; the revival of the country life betterment movement; the promotion of the "back to the land" campaign; the improvement of waterways and the regulation of railroad rates; the scientific study of successful farming methods in Denmark and wherever the American farmer may learn how to produce more crops at less cost; and, above all, the repeal of the existing one-sided Canadian reciprocity law. All of these things are provided for in the Progressive platform and are championed by the Progressive candidates, Theodore Roosevelt and Hiram Johnson.—James M. Pierce, proprietor of the Iowa Homestead, The Farmer and Stockman, and the Wisconsin Farmer.

National Prohibition Platform

We favor:

1. —Suffrage for women on the same terms as for men.
2. A uniform marriage and divorce law. The extermination of polygamy and the complete suppression of the traffic in girls.
3. Absolute protection of the rights of labor without impairment of the rights of capital.
4. The settlement of all international disputes by arbitration.
5. The abolition of child labor in mines, work shops and factories, with the rigid enforcement of the laws now flagrantly violated.
6. The election of United States senators by direct vote of the people.
7. A presidential term of six years and one term only.
8. Court review of postoffice and other departmental decisions and orders; the extension of the postal savings bank system and of rural delivery, and the establishment of an efficient parcels post.
9. The initiative, referendum and recall.
10. As the tariff is a commercial question it should be fixed on the scientific basis of accurate knowledge secured by means of a permanent, omni-partisan tariff commission, with ample powers.
11. Equitable graduated income and inheritance taxes.
12. Conservation of our forest and mineral reserves, and the reclamation of waste lands. All mineral and timber lands, and water powers, now owned by the government, should be held perpetually and leased for revenue purposes.
13. Clearly defined laws for the regulation and control of corporations transacting an interstate business.
14. Efficiency and economy in governmental administration.
15. The protection in one day in seven as a day of rest.
