Choice Farms and Ranches

SMALL FARMS Several small farms, 80 acres, 50 acres, 40 acres, near La Grande, well improved. Priced right and on most of them liberal terms can be obtained. FRUIT FARMS. I have several choice ten acres or larger fruit farms in this vicinity. The trees are loaded with fruit. You can go out and count the boxes of commercial apples that each place will produce. In some instances this season's crop will pay for nearly one-half of the purchase price.

SUBURBAN HOMES. I have a number of pretty near-in homes that are priced right. In fact, are real investments. La Grande is growing. These small tracts are increasing in value much faster than you possibly realize.

Stock Ranches

With the cheap range rapidly becoming a thing of the past never will we see cheap cattle again in the United States. Our population is increasing much faster than beef can be grown. I have several opportunities that just a few years hence will be looked upon as wonders. I have two of the best stock ranches in Union county. If you are a cattleman and live in the county you will know them well. Come and let me tell you where they are. Very little cash required, put the balance of your money in stock. The increase of a calf to a beef steer on such ranges as I offer you will make common legal interest look anything but tempting.
