Fortunes in Faces.

There's often much truth in the saying "her face is her fortune," but it's never said where pimples, skin eruptions, blotches or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at all druggists.

Any time any whiskey tastes so rough and strong it makes you shake your head and say "bur-r"—let it alone.

Never put anything into your stomach your palate rejects.

That's why nature gave you a palate.

The Labor Record of

Woodrow Wilson

William H Taft

Theodore Roosevelt

Woodrow Wilson

In 1909 Wilson said: "There is another as formidable an enemy to equality and opportunity as the capitalist, the labor organization and leader—quite as monopolistic in spirit as the capitalist, and quite as apt to corrupt and ruin our industry by the monopoly."

The above statement of Mr. Wilson is not a campaign document. It is an extract from a baccalaureate address to a graduating class at Princeton on June 13th, 1909, and is a matter of record. What respect can labor have for a man who will speak in such terms?

William H. Taft

Prior to 1908 President Taft was known as "Injunction Judge" Taft, and Samuel Gompers has pointed out that the attitude of the president is as unfair as was that of "Injunction Judge" Taft.

Theodore Roosevelt

As president he approved these measures—
Creating the Department of Commerce and Labor and making its head a cabinet officer.
Improving the act relating to safety appliances on railroad trains.

Making wages preferred claims.

For inspection of boilers.

Securing the wages of employes on public work.

As a Progressive candidate he believes—

No wage earner, man, woman or child shall be compelled to work seven days a week.

Pensions shall be paid workmen in case of sickness, irregular employment and old age.

The organization of the workers—both men and women—shall be encouraged.

Injunctions shall not be permitted during strikes if such injunctions would not apply in case there were no strike.

The Progressive party stands for the initiative, the referendum, the recall of decisions, direct primaries, direct election of United States senators, the short ballot, an easier amendment of the federal constitution, a review of judicial decisions and equal suffrage for men and women

Hay fever and asthma make August a month of intense suffering to many people. Foley's Honey and Tar Compound gives prompt ease and relief, and is soothing and healing to the inflamed membrane. Wm. M. Mer-

thew, N. Searsport, Me., says: "A few doses of Foley's Honey and Tar Compound relieved me of a severe attack of asthma and less than a bottle caused a complete cure." Refuse substitutes. A. T. Hill.
