LA GRANDE Y. M. C. A. DEPARTMENT.

Y. M. C. A. News of Current Interest Noted Hereunder, Direction of J. H. Rudd, General Secretary.

Base Ball.

In a recent meeting of the Board of Managers for the Twilight Base Ball League, held at the Y. M. C. A., the decision was given out that the Clerks team should be entitled to first place. This gives them the right to hold the silver cup put up by the Commercial Club last spring.

Scouts.

All three troops are growing. Troop 1 under the leadership of E. R. Humphreys has increased from seven to fourteen. Troop 2 started out after the division with about twenty-four and now claims an addition of ten to its membership. Troop 3 under the direction of Scoutmaster H. C. Vinacke shows the greatest percentage in growth, starting with six and now claiming twenty.

Indians.

The Indians nineteen strong took their fourth hike last Saturday. Your secretary assisted by Scouts Kerr and Wright guided the braves to Lone Pine north of town. The Isana City tribe had already reached the meeting place. After dinner was eaten all joined in a general good time among the rocks and caves. On the way back an hour was spent in the city park, in play and contest. Harney retained a place as big eater of the tribe.

The Girls.

No Y. M. C. A. in La Grande will ever be complete that does not, in a measure at least, serve the girls of the city. Realizing this, the board reserved Friday afternoon in the Gymnasium for the girls. The hour will be spent in gymnasium floor work and basket ball. Miss Lucinda Wood was elected by those interested to serve as president. Miss Runa Bacon was selected as secretary, and Miss Ruth Russell as treasurer.

Basket Ball.

The baskets have been ordered and should be in place by Friday night. All men who have signed up for the "Gym" or are planning to do so should be on hand Friday evening at 7:45. The prospects for a city basketball league are indeed very bright. Are you interested? If you are, show it by boosting the "Gym".

Gymnasium Classes.

There are at present two classes for the boys each meeting on Monday Wednesday afternoons. All boys 9 to 11 meet at 4:00 and boys 12 to 14 meet at five. These classes are growing steadily. Any boy within the ages mentioned is entitled to membership by paying the sum of \$2 for six months from Nov. 1 1912.

The men's class meets Monday Wednesday and Friday at 7:45 beginning Nov. 1. The fee for six months in this class is \$4. A good workout will be better for a good workout in the "Gym".

That Entertainment.

November 11 is the date set for the big concert to be given for the benefit of the Y. M. C. A. The tickets are being sold by the boys at 25 cents. Can you afford that much to hear a splendid concert and at the same time make possible the purchase of more gymnasium apparatus for yourself and the boys? Buy a ticket or perhaps two.

FOR SALE—Good gentle horse broke single or double. new harness and top buggy in good repair \$75.00. Call Dutcher's wagon shop or phone Red 42. 10-31-21

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease—uplifting the constitution and assisting in giving the patient strength by ingesting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

To Workingmen

The Labor Record of

Woodrow Wilson
William H Taft
Theodore Roosevelt

Woodrow Wilson

In 1909 Wilson said: "There is another as formidable an enemy to equality and opportunity as the capitalist, the labor organization and leader—quite as monopolistic in spirit as the capitalist, and quite as apt to corrupt and ruin our industry by the monopoly."

The above statement of Mr. Wilson is not a campaign document. It is an extract from a baccalaureate address to a graduating class at Princeton on June 13th, 1909, and is a matter of record. What respect can labor have for a man who will speak in such terms?

William H. Taft

Prior to 1908 President Taft was known as "Injunction Judge" Taft, and Samuel Gompers has pointed out that the attitude of the president is as unfair as was that of "Injunction Judge" Taft.

Theodore Roosevelt

As president he approved these measures—Creating the Department of Commerce and Labor and making its head a cabinet officer.

Improving the act relating to safety appliances on railroad trains.

Making wages preferred claims.

For inspection of boilers.

Securing the wages of employees on public work.

As a Progressive candidate he believes—

No wage earner, man, woman or child shall be compelled to work seven days a week.

Pensions shall be paid workmen in case of sickness, irregular employment and old age.

The organization of the workers—both men and women—shall be encouraged.

Injunctions shall not be permitted during strikes if such injunctions would not apply in case there were no strike.

The Progressive party stands for the initiative, the referendum, the recall of decisions, direct primaries, direct election of United States senators, the short ballot, an easier amendment of the federal constitution, a review of judicial decisions and equal suffrage for men and women

This advertising is prepared and paid for by the Progressive Central committee of Union County, Oregon.

Good Men to Follow

That the heads of our largest educational institutions are mending the minds of our children and that we have confidence in their judgment is best illustrated by our support. We can with reason therefore advocate without hesitancy such questions as receive their unqualified endorsement.

The following are friendly to the Equal Suffrage Movement:
Pres. P. L. Campbell, University of Oregon.
Pres. W. J. Kerr, Oregon Agricultural College.
Pres. Foster, Reed College.
Pres. J. H. Ackerman, State Normal School.
Pres. Fletcher Homan, Willamette University.

Notice to Voters.

Although I have been endorsed by the Prohibition party for joint senator I wish to announce, while appreciating the honor of the endorsement, I

am not a candidate in any sense whatever. The farm demands my entire time and I am not running for office myself for I am supporting Ed. Kiddle for joint senator.
