PENINSULAR

Steel Malleable Ranges

are the World's leaders in houses of our land
Over 100 of these fine ranges sold in this city during the past fifteen months is the strongest argument of its superiority it is possible to make. It is the ONLY RANGE MADE carrying a 25 year wearing guarantee. No Range makes cooking such a pleasure as does a Peninsular.

SOME REASONS WHY

FIRST—It requires no blacking, has a polished top, just keep it wiped off with a cloth.

SECOND—It will heat and bake as quick as gas. With a little kindling and a few chunks of coal you will have a red hot stove before you can get dressed in the morning.

THIRD—It is absolutely airtight, controlled by a duplex draft, causing it to consume all gas as it generates, thereby saving one-third the fuel.

YOUR OLD RANGE OR STOVE TAKEN IN PART PAYMENT.

You will notice that it has a large, square oven, and an extra wide but shallow fire box. The range rests on a cast iron base making it extra strong and durable. One of the greatest features is the height of the working space, it being 33 1-2 inches from the floor. This enables you to prepare your meals in a comfortable way, and obviates the necessity of bending over a low base range. Study the cut carefully and you will find more desirable and needed features than in any other range at a like price.

Prices Are Right - \$35.00 to \$85.00
