KALAMA GETS BITULITHIC.

Progressive Washington City Secures High-Grade Paving.

Kalama, Washington, has recently added to the rapidly increasing list of progressive cities by making an award for bitulithic, the durable, economical paving.

Thorough investigation of the merits of this paving, which is the result of scientific experiment and the severest tests, resulted in corroboration of the claims of its friends as to its desirability in every way and convinced the taxpayers of Kalama that their interests would best be served by securing bitulithic paving.

The constantly increasing area of bitulithic paving throughout the Northwest is convincing proof of its popularity.—Adv.

A crusade of education which aims that common colds may become uncommon within the next generation has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."

"Don't sleep in hot rooms."

"Don't avoid fresh air."

"Don't stuff yourself at meal time."

Over eating reduces your resistance."

To which we would add,—when you take a cold get rid of it as quickly as possible! To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all druggists.

YOU CAN CURE AN OLD SORE BUT NOT WITH SALVES

Every old sore can be cured unless it be of a malignant cancerous nature. But no chronic ulcer can be cured by the application of salves or other external treatment. You must get down to the origin and cause before you can produce curative effects. Bad blood is responsible for old sores and the one certain cure therefore is a thorough purification and rebuilding of the circulation. As long as impurities are left in the blood they will be deposited into the ulcer to keep up the inflammation and irritation and nature can make no progress toward healing the place. Nothing is so sure to produce a cure of old sores as S. S. S. This is nature's perfect blood remedy, composed of the most healing and at the same time the most penetrating and blood-purifying properties. It removes every particle of morbid matter from the circulation and assists nature to increase the healthful, nutritious corpuscles of the blood. S. S. S. makes pure blood and pure blood is nature's unfailing cure for old sores. Book on Sores and Ulcers and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.
