MILLIONAIRE KIDDIES EXHIBIT MOUNTS AT MINEOLA HORSE SHOW.

The autumn season of the Long Island millionaire colonies are full of horse shows, polo matches, automobile races, and early season dances. The horse shows at Mineola and at Piping Rock have been made delightful by the presence of little children, who rode into the rings mounted on their polo ponies and Shetlands. The children were so important a part of the exhibits that at times they overshadowed in interest the exhibits of their parents.

Few musical treats in years past could equal the one given at the Y. M. C. A. benefit Monday night. The program as arranged by Dr. J. W. Laughlin and his committee was exceptionally good and the participants were received with much praise at every turn. The popular blending of numbers and the splendid way each was carried out, should make the Y. M. C. A. a prince of program arrangers. Few recitals in this city have been as good.
