TASTE, SMELL AND HEARING RESTORED

A Simple, Harmless Remedy Quickly Relieves Catarrhal Deafness.

The thousands who suffer the miseries of colds and catarrh and claim they have never found a cure can get instant relief by simply anointing the nostrils with Ely's Cream Balm. Unlike internal medicines which upset the stomach, or strong snuffs which only aggravate the trouble, this cleansing, healing, antiseptic Balm instantly reaches the seat of the trouble, stops the nasty discharge, clears the nose, head and throat, and brings back the sense of taste, smell and improves the hearing. More than this it strengthens the weakened and diseased tissues, thus protecting you against a return of the trouble. This remedy will cure a cold in a day, and prevent its becoming chronic or resulting in catarrh.

Nasal catarrh is an inflammation of the membrane lining the air passages and cannot be reached by mixture taken into the stomach, nor can it be cured by snuffs and powders which only cause additional irritation. Don't waste time on them. Get a 50 cent bottle of Ely's Cream Balm from your druggist, and after using it for a day you will wish you had tried it sooner.

Mothers should give the children Ely's Cream Balm for colds and croup. It is perfectly harmless, and pleasant to take.

PARENTS Do You Know?

That the child gets the first of its

PERMANENT TEETH when about six years old. These teeth appear before any of the temporary teeth are shed. They should be carefully looked after and preserved.

This is something that vitally interests you. If you want healthy children, I will be pleased to consult with you about their care.

WHEN THE ALARM CLOCK RINGS

Do you snuggle a little deeper in the covers and wish with all your might that you didn't have to get up in the cold to dress? Well, you're not the only one. There never was but one man in La Grande who liked to get up in the cold, and he moved away.

Here's a suggestion; get one of our

Luminous Electric Radiators

Then when the alarm br-r-r-s!, press the button, and in a very few minutes your cold bedroom will be warm enough to dress in. Try it just once.

Luminous Electric Heaters cost about as much to run as an electric iron. They furnish the ideal method for warming up bedrooms, bathrooms, cozy corners, etc. On display at our office.
