"Our Personal Guarantee to all Skin Sufferers"

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee, backed by ourselves you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or tetter, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

bottle will cost you nothing. You alone to judge. Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive no-day guarantee.

One of the big features of the day will be the fellowship luncheon to be served at the K. of P. hall over the Red Cross drug store at noon, by the Ladies' Aid society of the Methodist church. For 35c they have prepared a splendid dinner. Those who on account of business cannot attend the other sessions are in this way given an opportunity of meeting with these workers.

In the afternoon both Rev. Phipps and Mr. Knapp will be heard. The evening session will close the day with two addresses, one on "Oregon and Zurich," by Rev. Chas. A. Phipps and one by Mr. E. C. Knapp of Spokane.

TAKING SCHOOL CENSUS.

School District No. 1 Being Enumerated in Annual Count.

Under the direction of the school board, Adna B. Rodgers is taking the school census of La Grande which is technically described as school district No. 1. The work is not completed yet, the enumerator being now at work in the Fourth ward. While there is nothing definite to guess upon as yet, it is presumed that the census of last year will be slightly in-

creased when the total count is taken, and checked this year.

Sunday Meeting Popular.

On Sunday afternoon the Y. M. C. A.'s meeting was combined with the meeting at the Episcopal church. It was a wonderful meeting, nothing sensational but straight facts and logic. Archdeacon Webber, being a real man, delivered a forceful address. Those who heard him went away thinking. During the course of his address he referred often to the work

being done by the Y. M. C. A. throughout the country. Mr. Lane leader of the Methodist chorus, sang a very pleasing solo.

The Altar society ladies will give a social tomorrow evening, Nov. 20, in the K. of P. hall. Cards and dancing and a good time for all. Prizes for those who win.

Economical women will take advantage of West's sale of suits, coats and millinery this week.
