Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so-called have long been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of white-green, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. We have been prescribing the D.D.D. remedy for years. We ourselves vouch for the D.D.D. For sale by A. T. Hill.

Y. M. C. A. NEWS AND GOSSIP

NEED OF A BUILDING IS CITED IN ARTICLE TODAY.

Various Meetings Prove of Interest to All Attending.

In today's column appears the second article on the possibilities of a Y. M. C. A. in La Grande:

Without a Home.
Does La Grande need a Y. M. C. A? The answer should be unanimously yes. In the first place the Y. M. C. A. does a work that the church cannot, from the fact that it reaches boys and young men by its gymnastic work, the dormitory home for young men and the free employment bureau.

I have been without a home for the past four years and I find that the Y. M. C. A. affords the best home I can find, for this reason. Instead of going to a hotel for my accommodations and loading in the saloon and pool halls among the rougher class, I can go to the Y. M. C. A. dormitory and live where I am surrounded by the better class of men with plenty of good literature to read and a place where I can make myself at home without being invited to spend my money that I need for the comforts of life. I find that when a young man gets acquainted with the Y. M. C. A. and its members that it puts him where with a small effort on his part he does not have to associate with the rougher class, for when a young man comes into a strange place where is he going to find a friend? And which friend can he trust when he finds them?

I have been benefited especially by the Y. M. C. A. in North Yakima by making my home there where I had free access to the bath room and gym and the employment bureau had just previous to my arrival there placed a young man in the Postal service there. I have also been benefited by the Y. M. C. A. in Tacoma by obtaining employment and I made my home with the boys in Seattle where I made several good friends whom I would not know otherwise and had it not been for the Y. M. C. A. I likely would have been forced to pick up a friend in the saloon or dance hall. And by this it brings the young man to the better class. After a young man once starts with the Y. M. C. A. he usually stays.

I am glad that La Grande has begun to think about this work and you will always find me a "standpater" for the Y. M. C. A.

W. F. ASHMAN.
Tag Day.

November 30th is Tag Day for the Y. M. C. A.

Men's Meetings.
Last Sunday afternoon we were favored with a splendid address by Archdeacon Webber. Next Sunday afternoon at 3:30 in the Y. M. C. A. will be a good live "sing" followed by an address by Prof. Clarence Lane. You should hear him. The male Quartet will sing "The church in the Wilderness". Come and bring another man with you.

Thanksgiving Day.
Next Thursday morning Dr. A. G. Lane will preach the Thanksgiving sermon at a Union meeting to be held in the First M. E. church at 10:45 a. m. The music will be in charge of Prof. Clarence Lane. All are cordially invited to be present at this service.

Remember the La Grande High school against the Alumni football game in the afternoon of Thanksgiving day. It will be one of the fastest games the city has ever seen.

Scouts.
The general scout meeting will be held Friday night at 7:30 at the Y. M. C. A. A full attendance is expected. Mr. John S. Hodgins will give a talk on Sun, Moon and Stars. Every boy should hear this.

Y. M. C. A. Board.
At a recent meeting of the board, H. C. Grady and C. M. Humphreys were elected to fill the two vacancies on that Board.

WHEN THE ALARM CLOCK RINGS

Do you snuggle a little deeper in the covers and wish with all your might that you didn't have to get up in the cold to dress? Well, you're not the only one. There never was but one man in La Grande who liked to get up in the cold, and he moved away.

Here's a suggestion; get one of our

Luminous Electric Radiators

Then when the alarm br-r-r-s!, press the button, and in a very few minutes your cold bedroom will be warm enough to dress in. Try it just once.

Luminous Electric Heaters cost about as much to run as an electric iron. They furnish the ideal method for warming up bedrooms, bathrooms, cozy corners, etc. On display at our office.
