REGISTERING THE LADIES.

It is a new deal, this registering of the ladies in La Grande and there are many interesting features to it. The city council has clothed Howard Davis at the Security Land and Trust company office with the authority to acknowledge registration of the fairer sex and the graceful manner which Mr. Davis is acquiring in finding the age of the lady without bluntly asking her is pleasing to note. Then, too, there is a registration smile that goes with the whole transaction and is scheduled to come forth just as the pen is passing from the hand of the official to the lady.

Like anything else that is new, it is interesting, but as time goes on the ladies must expect female suffrage to reach a permanent groove.

Then when a lady wants to register, there will be no smile, there will be nothing but a plain business transaction.

Shooting Match.

There will be a shooting match at Island City next Monday. Beef, turkeys, geese and ducks—plenty of them.

ner of Mayor Gaynor. At the time of the Robin bank failures and the crash of the Carnegie Trust company, he mysteriously disappeared, remaining away until the hue and cry over the distribution of the city's funds in the east. He then returned to the city, alleging illness the cause of his absence, and was promptly indicted on a charge of swindling the city's millions to benefit his own ends, which constitutes the act of bribery in the eyes of the law.

AWAY WITH CATARRH A FILTHY DISEASE

A Safe Old-Fashioned Remedy Quickly Relieves All Distressing Symptoms.

If you are subject to frequent colds, or if you have any of the distressing symptoms of catarrh, such as stuffed up feeling in the head, profuse discharge from the nose, sores in the nose, phlegm in the throat, causing hawking and spitting, dull pain in the head or ringing in the ears just about the nostrils or rub the throat or chest with a little Ely's Cream Balm, and see how quickly you will get relief.

In a few minutes you will feel your head clearing, and after using the Balm for a day or so the nasty discharge will be checked, the pain, soreness and fever and you will no longer be offensive to yourself and your friends by constantly hawking, spitting and blowing.

Shake off the grip of catarrh before it impairs your sense of taste, smell and hearing and poisons your whole system. In a short time you can be completely cured of this distressing disease by using Ely's Cream Balm. This healing, antiseptic Balm does not fool you by short, deceptive relief, but completely overcomes the disease. It clears the nose, head and throat of all the rank poison, soothes, heals and strengthens the raw, sore membranes, making you proof against colds and catarrh.

One application will convince you, and a 50 cent bottle will generally cure the worst case of catarrh. It is guaranteed. Get it from your druggist today.

GRANDMOTHERS

USED SAGE TEA

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

The growth and beauty of the hair depends on a healthy condition of the scalp. Wyeth's Sage and Sulphur Hair Remedy quickly robs the hair of its life, color and lustre, makes the scalp clean and healthy, gives the hair strength, color and beauty, and makes it grow.

Get a 50 cent bottle from your druggist today. He will give your money back if you are not satisfied after a fair trial.
