The Arcade.

The Arcade today presents for your approval a program consisting of seven distinct features, all of which are of the high class order. The motto of the Peoples Amusement Co. is that the best that can be obtained is not too good for La Grande. Take the program for today:

"The Wanderer," a gripping western picture, showing the uneven fight of a ranchman against a bully and his crowd, the appearance of the wanderer who shows that might is right and how the bully meets his just deserts.

"The Emperor's Message"—A story of the time of Napoleon.

"The Ladder of Life"—A story which has a moral and should be seen by all.

"Bedelia and the Newlyweds."—This is made for laughing purposes and does not require an introduction as you have no doubt seen and read the funny pages of the Sunday papers.

Our vaudeville will consist of an act called "Cousin Bob," a real funny comedy. A mixture of singing, comedy juggling and dancing.

Last but by no means least we present for your approval our home musical night. This is something new and will surprise you.
