THE FIRST GRAY HAIR SIGN OF AGE

Easy Way to Preserve Natural Color of the Hair and Make It Grow.

A harmless remedy, made from common garden sage quickly restores gray hair to natural color. The care of the hair, to prevent it from losing its color and lustre, is just as important as to care for teeth to keep them from discoloring. Why spend money for cosmetics and creams to improve the complexion and yet neglect your hair, when gray hair is even more conspicuous and suggestive of age than wrinkles or a poor complexion? Of the two, it is easier to preserve the natural color and beauty of the hair than it is to have a good complexion.

All that is necessary is the occasional use of Wyeth's Sage and Sulphur Hair Remedy, a preparation of common garden Sage and Sulphur, combined with other valuable remedies for dry, harsh, faded hair, dandruff, itching scalp and falling hair. After a few applications of this simple, harmless remedy, your hair will gradually be restored to its natural color. In a short time the dandruff will be removed, and your hair will no longer come out but will start to grow as nature intended it should.

Don't neglect your hair, for it goes

further than anything else to make or mar your good looks. You can buy this remedy at any drug store for fifty cents a bottle, and your druggist will give your money back if you are not satisfied after using. Purchase a bottle today. You will never regret it when you realize the difference it will make in your appearance.

Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C. once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head back and kidneys were all badly affected and my liver was in a bad condition but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all drug stores.

Declare War on Colds.

A crusade of education which aims that common colds may become uncommon within the next generation has been begun by prominent New York physicians. Here is a list of the "don'ts" which he doctors say will prevent the annual visitation of the cold:

- "Don't sit in a draughty car."
- "Don't sleep in hot rooms."
- "Don't avoid fresh air."

"Don't stuff yourself at meal time. Over eating reduces your resistance." To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all druggists.

TRANSLATED FROM GERMAN.

Mrs. William Ibsen Writes of Her Experiences With New Medicine.

Here is the translation from the German of a letter written by Mrs. Wm. Ibsen, of Redondo, Wash., telling of her experiences with Sulphurro, the new Liquid Compound of Sulphur:

"A year ago this time I heard of Sulphurro. I then had an open leg, so that I was hardly able to do my housework. I used Sulphurro two months and was fully cured.

"Then in the spring of 1912 my limbs started to swell from the hips to the ankles, and I feared I had dropsy. I immediately started in on Sulphurro again, taking it continually for two months. Now I am well, something I could not say for years."

Sulphurro is a most remarkable remedy for Rheumatism, stomach, blood and skin diseases. It introduces Sulphur, Nature's antiseptic and purifier, into the blood, drives out the impurities and poisons, and makes you feel like a new man or woman. It comes in 50-cent and \$1.00 bottles at all drugstores. Health booklet free upon request to the C. M. C. Stewart Sulphur Co., 71 Columbia St., Seattle, Wash.
