I announce myself a candidate for councilman in the Second ward and ask your assistance in the coming election.

I believe in applying the same economic business principle in administering city affairs that I would successfully use in a large private business.

I believe in conserving the interest of the taxpayers, requiring efficiency in all city departments, absolute fulfillment of agreements from all contractors; and do object to the suppression of competitive bidding where contracts are to be let.

### JOHN CHAPMAN DEAD.

La Grande Man Dies at Salem—Funeral Held This Afternoon.

After several months of critical illness, John Chapman, a skilled mechanic of this city, died at Salem this week, and his body arrived in the city this morning. Interment took place from the Henry & Carr undertaking parlors this afternoon under auspices of the Modern Woodmen of which the deceased was a well known member. Mr. Chapman is survived by a widow, a son, John Chapman, and a daughter, Miss Alethia Chapman, a popular member of the Senior class of the high school.

### KINCAID NEAR DEATH

Former La Grande Banker, Now of California, Is Dying.

O. O. Kincaid several years connected with the La Grande National bank and for the past 10 years a resident of California. Is dying of cancer of the stomach, according to information received by Arthur C. Williams from Ontario, Cal. where Mr. Kincaid has been residing. The patient is a well known Mason. After severing his connections with the local bank he went south and two years ago was married. F. L. Meyers, a close friend of Mr. Kincaid, has been advised of the illness also and expects news of the demise momentarily.

### Oh, How I Itched!

What long nerve-racking days of constant torture—what sleepless nights of terrible agony—itch—itch—itch, constant itch, until it seemed that I must tear off my very skin—then—Instant relief—my skin cooled, soothed and healed!

The very first drops of D.D.D. Prescription for Eczema stopped that awful itch instantly; yes, the very moment D.D.D. touched the burning skin the torture ceased. A 25c bottle proves it. D.D.D. has been known for years as the only absolutely reliable eczema remedy, for it washes away the disease germs and leaves the skin as clear and healthy as that of a child.

All other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee—if you do not find that it takes away the itch in 24 hours, it costs you not a cent.

Ad Wolgast will sail for England in January, to meet Freddie Walsh who recently defeated Matt Wells for the lightweight championship of England. Once more Peter Maher comes across with a challenge to mace up Sandy Ferguson or any other "white-hope," now at large roaming the country.
