FOR SALE.
I have the following described lands and town lots which I want to sell:
(a) 160 acres of Sanderson land, all in cultivation, 40 acres in alfalfa and 20 acres in fall wheat. This can all be irrigated at slight expense, and is excellent alfalfa land. Will sell it either as a whole or in two 80 acre tracts;
(b) 640 acres of bunch grass and stump land, 5 miles northwest of Summerville. This can be made an excellent summer pasture for a valley farmer;
(c) 20 acre orchard at Alfeel, just beginning to bear, the best varieties of apples, best located for easy shipment of any orchard in the county;
(d) House and block of land just across the street from the new high school building in Union, good buildings and well located and contains excellent family orchard;
(e) House and two lots east of round house in La Grande, specially well located for employee of the railroad company;
(f) Two lots at corner of Seventh and O, in the heart of the residence district, directly south of Dick Jones new residence;
(g) Two lots on Adams avenue directly across the street from Bohnekamp's store, the best located piece of business property in La Grande;
(h) 160 acres at the head of Mill creek northwest of Summerville, excellent land, well watered.
I have, also, several orchard tracts at Island City just beginning to bear all irrigated. My reason for selling is that I need the money, and any of the foregoing tracts will be sold either for cash or on such terms as will pay my debts, and as soon as this is accomplished the rest will be withdrawn from the market.

ELKS WILL HONOR 'ABSENT BROTHERS'

A banner day in Elksdom will be the holding of memorial services tomorrow afternoon at 2:30 p. m., at Elks hall. N. J. Sinnott, representative elect of The Dalles, will deliver a beautiful memorial address and local talent will help to make the day memorable by fitting musical numbers. The committee has worked unstintingly to outdo previous services of this kind and according to all indications has practically accomplished that task.

Past Exalted Ruler J. H. Peare, who has had the program in charge, is sparing no effort to make this an occasion worth remembering. A glance at the list of present officers shows that many of La Grande's leading business and professional men have at one time or another held responsible positions in the local lodge. Additional Capital Wanted

To Erect Two Large Greenhouses to Add to Our Present Buildings

Starting into the greenhouse business this summer in a limited way, I have been cautiously feeling my way along, adding new stock to the greenhouses, building more buildings and investing my capital. I have satisfied myself fully that I have associated with me a good grower, a man who thoroughly understands plant life and who can successfully grow anything that will thrive in this climate. I have satisfied myself (from the sales already made) that La Grande and the surrounding country is large enough to support a much larger plant than we now have; what we can raise now would not begin to supply the local demand. So fully satisfied am I that the investment is a good one, I have invested every dollar of my capital in the enterprise.

I am not content to stop here. The possibilities of the business can hardly be realized. Each day I can see new ways of making money in the business. There is no question about selling all the stock we can raise. We can raise the finest of carnations here and Portland florists would gladly take a thousand dozen a week of us had we them to sell. We are now buying most of our cut flowers. Instead we should be growing them ourselves. This means more buildings and necessarily more capital. This is no stock selling scheme whereby we are offering twenty dollar gold pieces for one dollar invested. It is a good straight, legitimate, paying business proposition. We desire \$3,000.00 more cash capital in the business and will sell 300 shares of stock at \$10.00 per share for this purpose. I sold one of the best dividend paying propositions in this city to go into this business and firmly believe it has a much greater future. Would prefer a man to take the whole of this stock and devote his time to the business or a lady who could take charge of the store and allow me to devote my time at the greenhouses. Here is an excellent opportunity for a lady with this amount of capital to establish herself in a very pleasant business. If you are interested about this call and talk it over.
