SHERRY'S MONDAY GRAND OPENING. SPECIAL ARRANGED PROGRAM.

Citizens and Taxpayers. I announce myself a candidate for councilman in the Second ward and ask your assistance in the coming election.

I believe in applying the same economic business principle in administering city affairs that I would successfully use in a large private business.

I believe in conserving the interest of the taxpayers, requiring efficiency in all city departments, absolute fulfillment of agreements from all contractors; and do object to the suppression of competitive bidding where contracts are to be let.
