Citizens and Taxpayers.

I announce myself a candidate for councilman in the Second ward and ask your assistance in the coming election.

I believe in applying the same economic business principle in administering city affairs that I would successfully use in a large private business.

I believe in conserving the interest of the taxpayers, requiring efficiency in all city departments, absolute fulfillment of agreements from all contractors; and do object to the suppression of competitive bidding where contracts are to be let.

Attorney George T. Cochran is in Pendleton this week to hear, as water superintendent, all the troubles over water in Umatilla river. He expects to clean up the cases at this hearing, the matter probably dragging through the month.

Hector MacDonald of Wallowa is here today visiting with friends.

PENDLETON MEN BUY.

Selders' Confectionery Store is Now Owned by New People

After many years of successful industry in ice cream and confectionery lines, E. D. Selder has disposed of his popular refreshment store and will devote his entire time to the Blue Mountain creamery. His successors are Messrs. Hayden and Young, both of Pendleton, who have had active experience in candy making and the general retail business. These men are now in charge of the store which Mr. Selder built up to one of the most flourishing of its kind in this section of the state.

"We aim to continue that popular brand of service which we find our predecessor gave," said the new proprietors today.

While Mr. Selder will continue to cater to the public in the making of ice cream, he passed a word of farewell to his old-time stand today when he wished to have expressed publicly his deep appreciation for past patronage given him by the public at large.

Johnson May Marry Lucile.

Chicago, Dec. 2.—Jack Johnson, the negro champion heavyweight, expects to marry Lucile Cameron, the girl he is charged with abducting, before night. An auto stood before Johnson's home, waiting to convey the negro to the girl's hiding place, designated by a special delivery letter, which is expected. Government officers state that the marriage will not affect the white slave case.
