

SERVICES ARE DRAWING WELL

MUSIC AND SERMON AT REVIVALS INTEREST.

Several Musical Number Add to Interest at M. E. Church.

The revival services at the M. E. church which have been under way for some time, drew an excellent audience last night, and the audience in turn was excellently repaid for its presence. The musical features of the evening were exceptionally good. A piece entitled: "Memories of Gallilee," by the male quartet composed of Prof. C. E. Lane, Dr. E. B. Fyke, H. E. Dixon and Prof. G. H. Armstrong was rendered with good effect. A solo, "Saved," by Prof. Lane was beautifully sung and with much feeling. A piece by the chorus, "What Did She Do?" was exceptionally good. Rev. Fyke, though handicapped somewhat with a severe cold, preached with the same good effect with his hammer-like blows. For a text, he selected that familiar quotation from the Scriptures, "How Shall We Escape if we neglect so great Salvation?"

"This statement," says Dr. Fyke, "is true in the natural world and the spiritual world and true of the soul. Neglect a road and fail to use it and it becomes a wreck. Fail to cultivate the rose and it becomes the dog rose of the forest. This principal is known as the conformity to type."

CONCERNING HOME FOLKS.

Not only did the people on the Elgin branch have their difficulties collectively and individually this week but on the Union small road a citizen of La Grande developed a genuine case of seasickness. The humor of it is that the story is quite true. This individual who was blessed or cursed with a chewing apparatus made by a dentist, lost his grinders in the terrible eruption that accompanies seasickness. On reaching town he discovered his loss and forthwith telephoned the conductor of the train to have a sharp lookout for his molars and incisors. The gentleman next day was compelled to apologize to his Sunday school class for his inability to properly articulate. Interesting legal cases develop from the given state of facts.

Friends of William Miller are circulating a humorous incident or near incident that occurred during the past few hours. The real estate dealer and insurance man is president of the Grande Ronde Chautauqua, and as such had contemplated going to Portland Tuesday night on the late train to meet the Pacific Northwest chautauqua members to purchase talent for the next season. His plans were pretty well laid but he was desirous of witnessing the jinks at the Commercial Club while waiting for the midnight train, and, of course, saw the Hayes Sisters and Melville and Harrington perform. His plans about going to Portland immediately changed themselves, and he didn't go. His friends draw the conclusion by a process of Sherlock Holmes deductions that these same vaudevillians were talent enough. However, he may change his mind on more sober thought about the matter.

MISS TAKU OF TOKIO.

Arche Feature Film—Change of Vaudeville Today.

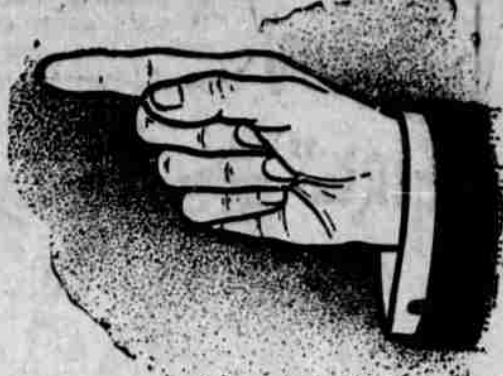

Today's picture program at the Arcade theatre is an especially strong one and deserves special mention. "The Story of a Wager," an unusually good American comedy drama, keeps the audience in a continuous uproar of laughter. "The Little Girl Next Door" is a splendid story by the Thanhouser company, which assures you of its worth. Also by the same company is the extraordinary picture, "Miss Taku of Tokio," which can not be surpassed for beauty of photography and strong acting. This is acted by a very clever Japanese actress, Miss Taku, and is in every respect the feature picture. Then there is a roaring comedy, "A Preacher for a Day," at which you will have to laugh.

The management takes pleasure in introducing the Sterling Bros. (America's marvelous athletes) in their high class acrobatic act. This is a program worth many times the small price of admission, only 10 cents.
