**California Woman Seriously Alarmed**  
"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had cough-

ing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night, and in a week I was rid of the cold and soreness of my lungs."
