Electric Lights

BENEFIT ALL THE FAMILY

This is a talk to the head of the family. You may not realize how necessary Electric Light is to your home. Here's something to think over. With oil lamps you have dirt, odors and inconvenience, to say nothing of the danger. Almost every day we read of terrible accidents caused by overturning or explosion of kerosene lamps. Then there's eye troubles, headaches, impure air and scores of other dangers directly traceable to kerosene lamps. We could fill this whole page with them. Don't neglect your family's welfare. Install electric lights NOW. Our rates place them within the means of all.
