Reconsider

Did you ever stop to think what a nice Christmas gift a sack of La Grande Milling company's Blue Stem flour would make? First, because it fits the whole family from baby up. No exchanging for a different size, and each time you eat one of those biscuits you can't help but think of the dear friend who gave it, and you all know there are many biscuits in a sack of this flour. Therefore you will think many times before the sack is gone. So a dollar and 35c makes a big showing, looks big, tastes good and lasts many days. There's more truth in this than poetry. Think it over. Are we right? If this Blue Stem flour was not good, we'd say so. Our name on the good kind. Look for the name.
