Notice to Stockholders.

The annual meeting of the stockholders of the United States National Bank will be held at their banking rooms in the city of La Grande, Tuesday, January 14th, 1913, at 2 o'clock p. m. for the purpose of electing a board of directors and for transacting any other business that may come before the meeting.

THE STUDENT'S GLIDE WILL BE INTRODUCED IN LA GRANDE TONIGHT BY THE BANNER RED ROSE COMPANY.

A reproduction of the famous students' glide, is pictured here. The Banner Red Rose company is the largest and most elaborately costumed of any musical troupe to visit La Grande in a long time. This company incidentally opens the musical comedy season in La Grande and the stripping of the seat board the first two days means a banner crowd tonight no doubt.

Says the Cynic.

In the December American Magazine the cynic says:

"Quite a number of rich wives seem to be located at points where they are most needed."

"A genius is one who appears to do a thing practically as well as you could do it yourself."

"A man paid me yesterday ten dollars that have been owing me for eleven years. Bread seldom floats that long."

It takes five different aged whiskeys to make Cyrus Noble—each one good in itself. But it takes blending and re-ageing to bring out the best in each—to "round out" the flavor.

Why punish yourself with rough, high-proof, strong whiskey when you can get Cyrus Noble everywhere?
