# SPAIN SUFFERS KNIFE AGAIN

**HUCKABOO "LET'S 'ER BUCK" ONCE MORE.**

As He Wanders Off to Dreamland He Shouts "Let 'Er Buck."

John Spain, the mighty Union buckaroo champion of the world in 1911, is in the hospital at Hot Lake recovering from the effects of a re-amputation of his arm which was injured and amputated as a result of his efforts to curb a western steed on the Fourth of July, 1912. The brave horse-breaking spirit is so thoroughly instilled in the blood of this son of the west, that when the ether was applied to his nostrils and was taking effect, every faculty of his mind was paralyzed but the one concerning the bronco busting. In his delirium he shouted: "Let 'er buck," and then went off into slumberland. Dr. Meyers performed the operation and the patient is reported on the list of rapid recoveries.

# BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, an there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff, or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.

# RHEUMATISM URIC ACID CAUSES IT—S.S.S. CURES IT

Every variety of Rheumatism is caused by an excess of uric acid in the blood; the different forms of the disease depending on whether this uric acid settles in the nerves, muscles or joints. In Sciatica it is the nerves which are attacked, the muscular form shows the muscles to be the seat of trouble, while manifestations of articular Rheumatism are evidence that the joints are being diseased. To cure Rheumatism the uric acid must be removed from the blood; the circulation must be made pure. This cannot be accomplished with external applications; such treatment may furnish temporary relief from the pain, but it does not reach the producing cause. S. S. S. cures Rheumatism of every variety and form because it purifies the blood. It goes down into the circulation, neutralizes the acids and dissolves the irritating deposits which are pressing on the sensitive nerves and tissues, and producing pain. Whether your case of Rheumatism be acute or chronic S. S. S. is the medicine you need; it will cure you and at the same time build up the entire system by its fine vegetable tonic effects. Book on Rheumatism and any medical advice free to all who write.
