TOWNS ARE HELPING BOYS

ELGIN, BAKER AND UNION INTERESTED.

Baker Hopes to Entertain the Next Boys' Meeting.

Elgin is joining the Eastern Oregon towns that will send delegations to the boys' meeting at Payette. J. H. Rudd, secretary of the Y. M. C. A. of this city, returned last night from Elgin where he found good success in sight of his trip to Baker Sunday, the Herald says.

John H. Rudd's chief object for meeting with the boys of Baker yesterday was to arrange for the sending of delegates from Baker to the Federated Boys' clubs convention at Payette on December 27. The meeting at the Methodist church was attended by a fair sized crowd. Mr. Rudd, who is from La Grande, spoke on social purity besides outlining the convention plan. He was very enthusiastic over the meeting and thinks that Baker should and can get the next convention. With this end in view he practically promised the support of both the La Grande and Union delegates to Baker.

Two delegates will be sent from the Presbyterian, Methodist, First and Second Baptists and Christian churches of this city to the convention. Besides these Rev. C. A. Edwards of the Methodist church will go as one of the speakers.

Hardware Store Improved. The genius of Chase Bohnenkamp is responsible for the improved appearance of the Bohnenkamp hardware store on the corner of Elm and Adams avenue. The improvement consists in the building of an attractive show window on the corner indicated above. The encasement is in quarter grained fir stained brown and adds very much to the display part of the store. Chase has been busy during the past few days putting in all kinds of orders, which gives the whole a very city like appearance.
