Andersonville Memorial Unveiled.

Andersonville, Ga., Dec. 20.—The imposing memorial erected by the state of Illinois in honor of the soldiers of that state who were confined in the Andersonville prison during the civil war and are buried in the national cemetery here, was dedicated today with impressive ceremonies. Governor Charles S. Deneen, with the members of his staff and a large delegation of civil war veterans and representatives of the Illinois National Guard, participated in the exercises. The memorial is of granite and bronze and cost \$15,000. It was designed by Charles J. Mulligan and W. C. Zimmerman, state architect of Illinois.

Czarovitch Has Tuberculosis.

Berlin, Dec. 20.—Physicians report that the Russian czarovitch is consumptive. Dr. Israel, a Jewish physician of this city, recently went to St. Petersburg and removed a tubercular kidney from the Russian heir. It is said the czar paid the doctor \$25,000 for the operation and granted the request of the doctor to rescind the laws preventing the Jews from colonizing Jaffa and Odessa. The immigration laws were suspended for this Jew and the czar's aide escorted him to and from the capitol.
