SANTA CLAUS IS COMING TO EVERY BOY AND GIRL IN TOWN

Santa Claus is coming to every boy and girl in La Grande this year—if the boy or girl so wishes. While great numbers of little folks will see various Christmas trees, all are not so blessed and to the latter class especially is the news of Santa's arrival in the Elks' hall Christmas day interesting news. It is to be a sea of children's faces that old Santa will greet when he reaches the hall. A committee of Elks acting for the lodge is announcing today the mass meeting of Santa Clause lovers. They authorized the following statement: "Children—all children—under ten years of age are wanted at the Elks' Christmas tree at 3 o'clock Christmas day at Elks' auditorium. Every citizen interested in having La Grande's children receive their share of Christmas cheer is requested to see that his own children are present and to make it his duty to see that some family of little ones who are not so bounteously blessed as his own, are also present. This is not a joyous occasion for Elks' families alone but a day for all children of La Grande. "Bring the little ones and enjoy with them the gleeful occasion."

CHRISTMAS DINNER FOR ALL IN LA GRANDE

The Observer has given this space to an organization whose ambition is to have every family in La Grande have a suitable Christmas dinner.
An person knowing of a family in the city whose circumstances are such that they cannot procure the necessities for a good Christmas dinner will confer a favor upon this organization by giving the name, address and size of family to the Observer. Don't hesitate to inform this paper if you know of such a family. There is no reason why Christmas cheer should not reach every household. The giver and the recipient will not know each other.

THE FIRST GRAY HAIR SIGN OF AGE

Easy Way to Preserve Natural Color of the Hair and Make it Grow.

A harmless remedy, made from common garden sage quickly restores gray hair to natural color. The care

of the hair, to prevent it from losing its color and lustre, is just as important as to care for teeth to keep them from discoloring. Why spend money for cosmetics and creams to improve the complexion and yet neglect your hair, when gray hair is ever more conspicuous and suggestive of age than wrinkles or a poor complexion? Of the two, it is easier to preserve the natural color and beauty of the hair than it is to have a good complexion.

All that is necessary is the occasional use of Wyeth's Sage and Sul-
