

\$101 PER MONTH INCOME

Besides the Privilege of Occupying Four Modern Rooms for Yourself.

HERE IS AN INVESTMENT

The House Is Furnished and Rooms Are Now and Always in Demand.

I have listed a 16-room house, modern, bath and toilets on each floor, full basement, large lot 80 by 110 feet, centrally located. The revenue now is and has been \$91.00 per month, besides the owner occupying five rooms. If purchaser did not require more than one bedroom the monthly revenue could easily be increased to \$101 and the remainder of the house could not be rented anywhere in the city for less than \$20 if all five of the rooms were re-

quired the owner should be credited with \$25 per month making the total income of the house equal to \$125 per month. The interior is up-to-date and in good condition. The furniture in the rented rooms goes with the house, nothing reserved but what is used in the five rooms occupied by the family. Here is a chance for some thrifty wife who can not only enjoy the luxury of occupying a modern home but can make as much net mon-

ey as her husband. This property can be purchased on very easy monthly payments after the initial payment. Come in and let me show you a photograph of the house, explain the easy system of payments which the rental will pay nearly three times over and better yet, permit me to show you the property. Just occasionally in cities of this size does an opportunity like this present itself

Professor Oreganus and his three dolls who feature in the University of Oregon Glee club concert at the Steward theatre, tonight. The ventriloquist stunt has been exploited by the newspaper critics as one of the most original and humorous acts seen on the amateur stage in the northwest. The Glee club members, themselves, laugh at it every night. Not once has it failed to mystify and amuse the audiences before which the Glee club has shown. 'Jimmie,' 'Sambo' and 'Percival' form a trio that under the tutelage of Professor Oreganus, the world renowned ventriloquist, become uproariously funny. Local interest in the stunt will be heightened by the appearance of Harold Grady as the "Professor Oreganus." The boys who take part in this act have already received several flattering offers from vaudeville circuits to go on the professional stage.

How to Bankrupt the Doctors.
 A prominent New York physician says, "If it were not for the thin stockings and thin soled shoes worn by women the doctors would probably be bankrupt." When you contract a cold do not wait for it to develop into pneumonia but treat it at once. Chamberlain's Cough Remedy is intended especially for coughs and colds, and has won a wide reputation by its cures of these diseases. It is most effectual and is pleasant and safe to take. For sale by all dealers.
