SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Nat-
ural Color—Dandruff Quickly
Removed.

There is nothing new about the idea
of using Sage for restoring the color
of the hair. Our grandmothers kept
their hair dark, glossy and abundant
by the use of a simple "Sage Tea." Whenever their hair fell out or took
on a dull, faded or streaked appear-
ance, they made a brew of Sage
leaves, and applied it to their hair
with wonderfully beneficial effect.

Nowadays we don't have to resort
to the old-time tiresome method of
gathering the herbs and making the
tea. This is done by skillful chem-
ists better than we could do it our-
selves; and all we have to do is to
call for the ready-made product. Wy-
eth's Sage and Sulphur Hair Rem-
edy, containing Sage in the proper
strength, with the addition of Sul-
phur, another old-time scalp remedy.

This preparation gives youthful
color and beauty to the hair, and is
one of the best remedies you can use
for dandruff, dry, feverish, itching
scalp, and falling hair. Get a fifty
cent bottle from your druggist today,
and you will be surprised at the
quick results. All druggists sell it,
under guarantee that the money will
be refunded if the remedy is not ex-
actly as represented.

MAYOR'S MESSAGE.

(Continued from Page 1)

ation of the finance committee, that
a statement of the standing of each
fund be prepared for publication at
an early date, and that publication
of the balance on hand, receipts and
expenditures, the latter in detail, to
be made monthly during the year.

I wish to call the attention of the
water department to the fact that
there is in existence an ordinance
requiring that connection be made
with sewers where they exist, and
that outhouses be done away with.
There are many of these places still
standing, even in the most congested
parts of the city. I feel sure that
it is only necessary to call attention
of the department to this matter as
the need of enforcement of the or-
dinance is evident to all.

It has occurred to me that some
way might be found to aid in beauti-
fying the city by furnishing water
for irrigating the parking spaces free.
A certain deduction from water
charges could be made, according to
the space kept in good condition each
month.

I would urge the council to make
strict regulation of the sale of li-
quor and the enforcement of the or-
dinance against gambling a contin-
ual order of business.

Personally, I promised the people
of the city that these things would
receive my special attention, and I
meant what I said. With regard to
the saloon business in this city, it
has always been my opinion that no
more than eight licenses should be
granted, because I do not believe,
that under the present license, more
than eight can do a straight business
and make it pay. I am convinced
that it would be to the best inter-
ests of this city as a whole, to pro-
hibit the existence of saloons on De-
pot street outside of a regular hot-
el building at least.

The maintenance of saloons as the
most prominent feature on our most
travelled street is offensive to a cer-
tain proportion of the members of
this community who are worthy of
consideration. It will not be my
fault if saloons are not moved away
from Depot street and confined to
eight in number.

Legislation prescribing the quality
of liquors sold would do good if en-
forced, because I believe that in
many cases the quality of the liquor
consumed does more harm than the
quantity.

The attention of the ways and
means committee is directed to the
pressing need of quarantine quarters.
This matter has been called to the
attention of the council time and
again, and I hope the committee will
give it serious attention and at once,

Although we now have a chemical
engine, it is very important that the
volunteer fire department be encour-
aged to continue the organization,
and I believe it is the duty of the
city so to do. The volunteer fire de-
partment has been a splendid organ-
ization and we cannot get along with-
out them. I believe that they should
be recognized as the fire department
of the city—they to choose the chief,
and that the paid men be subject to
such chief.

I have given considerable thought
to the selection of the different city
employees, and believe that the men
whose names I am about to submit
to you, are as competent to carry on
the work as any to be found in the
city.

In purchasing supplies for the city
an estimate should be made by each
department for the year to come, and
when a saving can be effected, a
year's supply purchased under the
competitive bid and sample method,
the preference being given to home
merchants, other conditions being
equal.

In considering public improve-
ments, especially street improve-
ment, I would urge the adoption of
the policy by the council of giving
careful consideration to the desires
of property owners, and to property
values, in order that burdens greater
than can be borne, be not imposed.

A method of making contracts for
street improvements other than that
now in vogue should be adopted, as
it would seem entirely irregular and
unfair to pay any part of the cost of
improvements in any particular dis-
trict out of the general fund. I re-
fer to the payment of interest on im-
provement warrants outstanding
against improvement district funds.

I wish again to remind you that
members of committees are not per-
forming their duty, as set forth by
Ordinance if they do not at-
tend committee meetings, and there
attend to the city's business and pre-
pare reports, resolutions and ordi-
nances to be laid before the council
as a whole.

Respectfully submitted,
M. K. HALL.

How to Bankrupt the Doctors.
A prominent New York physician
says, "If it were not for the thin
stockings and thin soled shoes worn
by women the doctors would prob-
ably be bankrupt." When you con-
tract a cold do not wait for it to de-
velop into pneumonia but treat it at
once. Chamberlain's Cough Remedy
is intended especially for coughs
and colds, and has won a wide rep-
utation by its cures of these diseases.
It is most effectual and is pleasant
and safe to take. For sale by all
dealers.

Peevish Children Suffer With Worms

Don't be angry with your child be-
cause he or she is continually irritable.
In ninety-nine out of one hundred cases
you will find that the trouble is worms.
Among the common symptoms of the
presence of round worms are nervous-
ness,—which often leads to epileptic
fits;—dizziness, vertigo, capric-
ious appetite, restless sleep, itching
of the eyes and nose, nausea and often
hysteria. Round worms are several
inches in length and infest the stomach.
Occasionally several hundred are found
in a single person. Thread worms are
smaller, often not longer than a quarter
of an inch. The symptoms denoting
their presence are about the same, but
in this case the child has no appetite.
Jayne's Tonic Vermifuge is unsur-
passed in removing worms. Not only
will it destroy them, but its tonic effects
will restore the stomach to healthy ac-
tivity. As Jayne's Tonic Vermifuge
seldom purges, the indications of its
beneficial effects will be the improved
condition of the person using it.
Millions of parents have praised this
medicine for more than eighty years.
Insist upon Jayne's Tonic Vermifuge,
and accept no other. Sold by druggists
everywhere. Dr. D. Jayne & Son, Phila-
delphia, Pa.

Could Shout for Joy.

"I want to thank you from the bot-
tom of my heart," wrote C. B. Rader
of Lewisburg, W. Va., "for the won-
derful double benefit I got from Elec-
tric Bitters, in curing me of both a
severe case of stomach trouble and
of rheumatism, from which I had

ten years. It suited my case as though
made just for me." For dyspepsia,
indigestion, jaundice, and to rid the
system of kidney poisons that cause
rheumatism. Electric Bitters have no
superior. Try them. Every bottle
is guaranteed. Only 50 cents at all
druggists.

California Woman Seriously Alarmed

"A short time ago I contracted a
severe cold which settled on my
lungs and caused me a great deal of
annoyance. I would have had cough-
ing spells and my lungs were so sore
and inflamed I began to be seriously
alarmed. A friend recom-
mended Chamberlain's Cough Remedy, saying
she had used it for years. I bought
a bottle and it relieved my cough the
first night, and in a week I was rid
of the cold and soreness of my
lungs," writes Miss Marie Gerber,
Sawtelle, Cal. For sale by all deal-
ers.
