## \$101 PER MONTH INCOME

Besides the Privilege of Occupying Four Modern Rooms for Yourself.

## HERE IS AN INVESTMENT

The House Is Furnished and Rooms Are Now and Always in Demand.

I have listed a 16-room house, modern, bath and toilets on each floor, full basement, large lot 80 by 110 feet, centrally located. The revenue now is and has been \$91.00 per month, besides the owner occupying five rooms. If purchaser did not require more than one bedroom the monthly revenue could easily be increased to \$101 and the remainder of the house could not be rented anywhere in the city for less than \$20 if all five of the rooms were re-

quired the owner should be credited with \$25 per month making the total income of the house equal to \$125 per month. The interior is up-to-date and in good condition. The furniture in the rented rooms goes with the house, nothing reserved but what is used in the five rooms occupied by the family. Here is a chance for some thrifty wife who can not only enjoy the luxury of occupying a modern home but can make as much net mon-

ey as her husband. This property can be purchased on very easy monthly payments after the initial payment. Come in and let me show you a photograph of the house, explain the easy system of payments which the rental will pay nearly three times over and better yet, permit me to show you the property. Just occasionally in cities of this size does an opportunity like this present itself

## STARKEY FEELS ZERO CLIMATE

STOCK BROUGHT IN FROM THE RANGES TO FEED. Personal Mention and Society Notices From Starkey.

Starkey, Jan. 3—(Special)—Starkey has enjoyed beautiful winter weather up till the 27 when it registered 10 degrees below zero but has moderated and the night of the 28th six inches of snow fell.

Everyone has their stock in off the hills and have commenced their winter feeding.

The Starkey Needlecraft club gave a Christmas tree on Christmas eve at the school house. The singing and recitations by the young folks under the auspices of Needlecraft Club President Mrs. J. Alden was pronounced a great success. Santa Claus made the children's hearts glad with an abundance of candy, nuts and oranges and the older ones with many useful gifts. Everyone attended.

Miss Flora McShain, our esteemed teacher, spent the holidays with her mother at Elgin.

Miss Adkins of La Grande, also John and Eli Adkins of the G. R. L. camp, spent Christmas with their sister, Mrs. John Robertson.

Mr. and Mrs. Alva Burnett spent Christmas with his father and mother, Mr. and Mrs. Press Burnett.

The river was frozen over hard enough on the 26th to enable Mr. E. M. Coombs to haul a load of grain across to his home Mountain View ranch.

The Needlecraft club has been making improvements at their club rooms by painting, papering and new furniture and have now added a two years supply of good wood, which means a good time the coming year.

Mr. and Mrs. Jay Robinson and daughter Lola of Perry spent Christmas with Mr. and Mrs. Kenneth Smith.

Grandma Burnett and Miss Edith Burnett of Pendleton are spending the holidays with Mrs. Kate Burnett

on her homestead. Mr. Ralph Sullivan entertained his young friends with a dance at the Sullivan hall on the 28th.
