

Excellent Program at the Arcade.
 The Arcade theatre offers for tonight and tomorrow a program of unusual merit, featuring the Moscow Duo in their Russian dances, a vaudeville act of class. The picture program is above the average, with two big comedies as the headliners, featuring Miss Mabel Norman, Fred Mace and Max Sennet, the three premier comedians in motion photography. Two of the reels shown today are absolutely first run, being shown here at the same time they are shown in the big cities.
 Coming, Monday and Tuesday, Sarah Bernhardt in a four reel production of "Elizabeth." This picture is a gorgeous production made by an American company of artists under the direction of Daniel Frohman. Notwithstanding the enormous expense in securing this picture the price of admission will remain the same as usual.

HAS UNION FOUND THE SAME?
 The Answer Is Found in the Straightforward Statement of a Union Resident.

We have been reading week after week in the local press of La Grande citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in our neighboring towns. This frank and earnest statement by a well-known and respected resident of Union will set this doubt at rest.
 Thomas Braasher, real estate dealer and receiver for Overton Lumber Co. Union, Ore., says: "I suffered with weakness of the kidneys and didn't rest well. After using Doan's Kidney Pills a short time, the kidney action was regulated. I gladly con-

firm the testimonial I gave for Doan's Kidney Pills in May, 1910."
