BERNHART AT THE ARCADE

BIG HIT OF THE SEASON SEEN
HERE IN MOTION PICTURES

Daniel Frohman Presents Madame
Sarah Bernhardt in an Extra,
ordinary Photoplay.

Starting today for a two days' engagement Manager Burkhardt of the Arcade theatre offers the superb production of "Queen Elizabeth" with Madame Sarah Bernhardt as the central figure in this play, and her work is indeed marvelous, justifying, perhaps, the published statement that this play is the greatest success of her life.

The production is one of superb finish and wonderful sweep and all the actors evidently have been chosen with extreme care, and therefore the reproduction in the films is a wonderful one, and an evening spent watching this presentation is well worth while.

Especially remarkable is the street scene where Essex is led to prison, and the scene of his execution, while the death scene of Elizabeth is such a picture as only Bernhardt could evolve.

Special music is used in connection

with this entertainment.
The program closes with Reed & Earle in vaudeville, and the ever popular Gaumont weekly in which an excellent view is shown of the collapse of the Marquem building in Portland.

SCHUBERTS COMING AGAIN

MOOSE LODGE STANDS SPONSOR
FOR TROUPE.

High Class Musical Production Being
Brought to La Grande.

Schuberts' symphony orchestra—several times heard in La Grande—is coming here again, this time better than ever. The La Grande lodge of Moose closed up a contract last evening to bring the troupe here for a concert performance on February 7. This high class company has been heard in La Grande before—churches have had them, the Commercial club has had them, and the Elks have had them and, invariably, they have made good in the strictest sense. The Moose are fathering their coming this time because the lodge felt that it was a treat to the music lovers that someone in the city should guarantee and they assumed the responsibility.

While the guarantee is not over heavy, it is material, and the lodge will give the splendid company wide-spread publicity, hoping that music admirers will avail themselves freely, at the reasonable prices to be offered, of the opportunity to hear the Schuberts. The four Schubert sisters are masters in their art.

Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In ninety-nine out of one hundred cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness, which often leads to epileptiform attacks;—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite. Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it.

Millions of parents have praised this medicine for more than eighty years. Insist upon Jayne's Tonic Vermifuge, and accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
