MELON SPREAD BIGGEST EVER

ONE HUNDRED MILLION IN DIVIDENDS CUT.

New York Has Never Seen So Large Cuts Before.

New York, Jan. 8.—The greatest distribution of dividends which the country has ever known is now taking place here during the opening weeks of the new year. Not less than \$100,000,000 it is estimated by experts is being sent out to owners of securities throughout the country as their share of the general prosperity. This is said to be the largest amount of dividends ever declared at one time in this country, and it will be distributed over nearly the whole United States. It has recently been brought out that 247 of the leading corporations of the country have more than a million stockholders, and while some of these were undoubtedly counted twice it is still unquestionable that hundreds of thousands of people will share these record-breaking dividends. These companies, moreover, are only the more important ones which are doing business here in the United States. Many others, of the first importance, do not have their headquarters in New York, and in each case the dividend is but one-half or one-fourth of the total yearly payment to stockholders. The most striking dividend of them all is the melon which is being cut by the Delaware, Lackawanna & Western Railroad. This road, apparently as a thank offering upon its deliverance from the famous "coal roads" suit in the supreme court, has apportioned \$12,000,000 of new stock to be sold to its present stockholders at par. As the road's stock now sells at nearly \$600 a share, the privilege of participating in the new issue is reckoned as being worth as much as a direct dividend of \$138 a share would be.

Lister Wants Simple Ceremonies

Seattle, Jan. 8.—Lister's announcement that he desired a simple inauguration spoiled the arrangements made by the committee for an elaborate ceremony. Negotiations for the special boat that was to carry him from Tacoma to Olympia have been dropped. There will be no military display.

Storm warnings are now sent to sea by wireless so that vessels may be prepared for violent changes in the weather.

EARN SOMETHING DURING YOUR SPARE TIME.

The Observer has an attractive proposition for one person—either lady or man—in every school district in Union and Wallawa counties outside of La Grande, to act as correspondent. Space rate will be paid for all news, provided at least one news letter each week is sent in. This work can be done during spare moments. Checks for services will be mailed each month. Remember, a correspondent is wanted at every postoffice and in every, as well as in each school district. No previous experience is necessary, as all that is required is telling the news of the community as it occurs. Write at once and be the person to represent the Observer in your community, thus making some extra money for yourself. THE OBSERVER, La Grande, Oregon.

OREGON AT THE NORTHWEST PRODUCTS EXPOSITION

The state of Oregon was fully represented at the Northwest Products Exposition by the finest collections of fruits, grains, grasses and vegetables that the state has ever sent East to an industrial and agricultural show. In charge of the

booths were Messrs. O. E. Freytag of Oregon City, J. E. Sawhill of Bend, and M. J. Duryea of Eugene, Oregon.

All three gentlemen were prominent speakers at banquets given by the Minneapolis Civic and Commerce Association during the course of the land show. Thousands of booklets, leaflets and folders of handsome appearance were distributed to the land seekers who crowded the show during the entire two weeks.

OLD TIME REMEDY DARKENS THE HAIR

Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a hair tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Nowadays, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories. An ideal preparation of this sort is Weth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair. Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty cent bottle of Weth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.
