North Powder Water Cases Argued
Before Chinook

The taking of testimony in the case of the water users of the North Powder river versus the North Powder Milling and Mercantile company, which has been heard the past three days by Water Commissioner James Chinook in this city, was concluded last evening and the greater number of the attorneys, witnesses and others interested in the case to the number of about 50, took their departure for their homes.

The testimony taken here, which was in regard to the exact measurements of the water allotted to the land in question and several other small details, was so taken on the order of the judge of the circuit court of Union county, where the suit was instituted, and then remanded to the board of control to hear this portion of the evidence which will be incorporated into the records of the trial. Judge Thomas Crawford and Attorney H. C. Finn have been representing the plaintiffs at the hearing and Attorney Charles Cochran has appeared for the defendant company.

YOUR GRAY HAIRS QUICKLY VANISH

A Harmless Remedy, Made From
Garden Sage, Restores Color to
Gray Hair.

A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are looked upon as heralds of advancing age. Gray hair, however handsome it may be, makes a person look old. We all know the advantages of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things. So why suffer the handicap of gray hairs when a simple remedy will give your hair youthful color and beauty in a few days' time?

Most people know that common garden sage acts as a color restorer and scalp tonic as well. Our grandmothers used a "Sage Tea" for keeping their hair dark, soft and luxuriant. In Wyeth's Sage and Sulphur Hair Remedy we have an ideal preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak hair that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair.

Get a fifty cent bottle from your druggist today and notice the difference in your hair after a few days' treatment. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

CATARRH IS IN THE BLOOD

A polluted and impure condition of the blood causes irritation and inflammation of the different mucous membranes of the body, and we call it Catarrh. The early stages of the disease are characterized by such symptoms as a tight, stuffy feeling in the nose, watery eyes, ringing noises in the ears, irritation of the throat, and often hoarseness and difficult breathing. If the trouble is not checked it invades the stomach and other portions of the body and becomes a dangerous disorder. Antiseptic washes, sprays, etc., are beneficial in removing accumulated mucus from the nose or throat, but such treatment can never cure Catarrh. S. S. S. is the one real dependable remedy for Catarrh. This great medicine cures the disease because it purifies the blood and thus destroys its cause. S. S. S. goes into the circulation and removes the last trace of catarrhal matter, and then the blood performs its work of nourishing the membranes and tissues instead of depositing impure matter into them to irritate and inflame. S. S. S. cures to stay cured. If you have Catarrh in any form take S. S. S. and cure it as thousands have done. Book on Catarrh and any medical advice free to all who write. S. S. S. is sold at drug stores.
